Living Expenses of Statistical Officers at Ottawa.

(For beginning of this correspondence see Auditor General's Report, 1900-01, page F-44)

CUSTOMS DEPARTMENT, OTTAWA, November 25, 1901.

SIR,—I have the honour to acknowledge the receipt of your letter of the 11th instant in the above matter. In reply I have to state that the Statistical Branch of the Customs Service began to be re-organized from July 1, 1900. In the course of the re-organization it was found necessary to bring officers from the ports to Ottawa for service temporarily. The living expenses of the officers varied, and were not fixed at a uniform figure, the length of the officers' service at Ottawa being uncertain. When it appeared, however, that the services of the officers would be required for a considerable length of time in Ottawa, the living expenses were restricted to some extent. Receipts for the amounts paid by the officers for their living expenses were not called for, as it had not been customary to require such receipts, so far as I am aware. The Customs Statistical service has been arranged on a permanent basis for the present fiscal year.

I am, sir, your obedient servant,

The Auditor General

JOHN McDUGALD, *Commissioner*.

Overpayment for Telephone at St. François.

(For beginning of this correspondence see Auditor General's Report, 1900-01, page F-45)

CUSTOMS DEPARTMENT, OTTAWA, March 5, 1902.

SIR,—Your letter of October 28, last respecting an overcharge for telephone service at the outport of St. François, Beauce, under the survey of the Port of Quebec, would have been answered at an earlier date were it not for the fact that considerable difficulty has been experienced in obtaining any satisfactory reply from the sub-collector. The sub-collector advised the collector at Quebec on November 22 last, that after having look carefully into the matter he found he overcharged \$3.30, his tolls from May to July 1 being \$1.90 instead \$5.20, but did not explain whether the mistake was his own or that of the Telephone Co. It has been found impossible to obtain any further explanation from him. In the month of January last he re-deposited the sum of \$1.90 and the department has only this day succeeded in obtaining a further refund of \$1.40. Deposit receipts for the \$3.30 overpaid, have been carried to the credit of "Casual Revenue" in to-day's Revenue statement.

I am, sir, your obedient servant,

The Auditor General.

JOHN McDUGALD, *Commissioner*.

Overpayment of Salary to H. Leahy, Prescott.

AUDIT OFFICE, OTTAWA, April 10, 1902.

SIR,—I find that Mr. Hugh Leahy, who was appointed a preventive officer at the port of Prescott, by Order in Council of July 29, 1899, at a salary of \$500 per annum, has been paid by your department at the rate of \$600 per annum, from August 1, 1899. This error should have been discovered in this office as soon as it occurred, but I regret to say that it was not discovered until quite recently, it being very difficult on account of the amount of work in this office and the small number of this staff, for a responsible officer to check all the pay-lists and accounts. I am very much pleased that the mistakes seem to be so few. I do not see any solution of the difficulty now under consideration

SESSIONAL PAPER No. 1

other than by holding Mr. Leahy's salary until the amount over paid him is made up. I trust therefore that you will not use for the payment of the salary of this man the credits granted you for the purpose of paying salaries, until the amount is made good.

I am, sir your obedient servant,

The Commissioner of Customs.

J. L. McDOUGALL, *A.G.*

CUSTOMS DEPARTMENT, OTTAWA, April 17, 1902.

SIR,—I have the honour to acknowledge receipt of your letter of the 10th instant, calling my attention to the fact that Mr. Hugh Leahy, who was appointed a preventive officer at the port of Prescott, by Order in Council of July 29, 1899, at a salary of \$500 per annum has been paid by this department at the rate of \$600 per annum since August 1, 1899. I regret with you, that this mistake has been made and think it is the only one of a similar nature which has been made in this department for the past 18 years. Mr. Leahy has been notified that his salary will be withheld by the department until the amount overpaid him has been made good.

I am, sir, your obedient servant,

The Auditor General.

JOHN McDOUGALD, *Commissioner.*

Overpayment for Telephone at Fredericton, N.B.

AUDIT OFFICE, OTTAWA, November 12, 1902.

SIR,—In the contingent account for the March quarter, Port of Fredericton, I find a payment of \$10 (Collector's cheque No. 349) to the N. B. Telephone Co., for rent of telephone from January 1 to June 30, 1902. Again in the contingent account for the June quarter, for the same port, I find a similar payment of \$10 to the N. B. Telephone Co., (Collector's cheque No. 376) for rent of telephone from January 1 to July 1, 1902. The Telephone Co., thus appears to have been paid twice for the same service. Kindly obtain a refund of \$10 from the Company.

I am, sir, your obedient servant,

The Commissioner of Customs.

J. L. McDOUGALL, *A.G.*

Monthly allowance to Officer at Halifax for Petty Expenses.

AUDIT OFFICE, OTTAWA, July 21, 1902.

SIR,—I find that an allowance of \$20 a month has been made during the current fiscal year to John R. Power, who is employed as tide-waiter and surveyor at the port of Halifax, to cover car-fares, ferriage and telephone services. Please inform me why, if expenses of this nature are incurred regularly by Mr. Power on public business, an itemized account is not rendered by him, for repayment of actual outlay.

I am, sir, your obedient servant,

The Commissioner of Customs.

FREDERICK HAYTER, *for A.G.*

CUSTOMS DEPARTMENT, OTTAWA, July 31, 1902.

SIR,—I have the honour to acknowledge receipt of your letter of the 21st instant inquiring as to the allowance of \$20 a month made to Mr. Jno. R. Power, Tide Surveyor at the Port of Halifax, to cover car-fares, ferriage and telephone service and asking why an itemized account is not rendered by the officer. This expenditure was not authorized by the Department until investigation had been made by one of the inspec-

tors in regard to the expenses incurred by Mr. Power and it was found that an allowance of \$20 per month would not be excessive for the expenses incurred by that official. Numerous petty expenses are incurred by the official in the discharge of his duties and it is not practicable for him to render an itemized account. For this reason the allowance was made, care being taken to see that it was not excessive.

I am, sir, your obedient servant,

The Auditor General.

JOHN McDOUGALD, *Commissioner*.

Advance to Commander Spain not Accounted for.

AUDIT OFFICE, OTTAWA, July 21, 1902.

SIR,—In August last an advance of \$100 was made by the Collector of Customs at Halifax, to Commander Spain, for expenses in connection with the steam-launch *Lucy Clive*. I do not find any account rendered by Commander Spain for his expenditure under this advance. Please let me know whether it has been accounted for; and if so, send me the account.

I am, sir, your obedient servant,

The Commissioner of Customs.

FREDERICK HAYTER, *for A.G.*

CUSTOMS DEPARTMENT, OTTAWA, October 17, 1902.

SIR,—Referring to your letter of July 21, 1902, respecting an advance of \$100 made by the Collector of Customs at Halifax, in August, 1901, to Commander Spain, I have to report that no account has yet been rendered for the advance, although requested. The matter has been referred to the Department of Marine and Fisheries as Commander Spain is an officer of that department.

I am, sir, your obedient servant,

The Auditor General.

JOHN McDOUGALD, *Commissioner*.

AUDIT OFFICE, OTTAWA, October 18, 1902.

SIR,—In the month of August, 1901, an advance of \$100, was made by the Collector of Customs at Halifax, to Commander Spain, for expenses, &c., in connection with the purchase of a boat for the customs service. On writing to the Customs Department asking for the details of Commander Spain's expenses, I have been informed that no accounts have been rendered by Commander Spain, although he has been requested to render such accounts. As Commander Spain is an officer of your department, I have to request that you will see that detailed accounts of the expenditure under this advance are rendered by him without further delay.

I am, sir, your obedient servant,

The Deputy Minister, Marine and Fisheries.

J. L. McDOUGALL, *A.G.*

MARINE AND FISHERIES DEPARTMENT, OTTAWA, October 20, 1902.

SIR,—I am in receipt of your letter of the 18th inst., in regard to an advance of \$100, made by the Collector of Customs at Halifax, to Commander Spain, not being accounted for, and in reply I beg to say that I have communicated with Commander Spain, on the subject, and directed him to immediately account for the advance, otherwise the amount will be deducted from his salary.

I am, sir, your obedient servant,

The Auditor General.

F. GOURDEAU, *D.M.*

SESSIONAL PAPER No. 1

Advance to J. A. D'Entremont, Yarmouth, not accounted for.

AUDIT OFFICE, OTTAWA, July 21, 1903.

SIR,—Voucher No. 4447 is for a payment of \$25 to J. A. D'Entremont, customs officer at the port of Yarmouth, for travelling and living expenses to and at Tusket Wedge for the month of March, 1902. This account should be rendered in detail, showing the various payments made by Mr. D'Entremont, for travelling and living expenses.

I am, sir, your obedient servant,

The Commissioner of Customs.

FREDERICK HAYTER, *for A.G.*

Living allowance of acting Inspector Busby.

AUDIT OFFICE, OTTAWA, July 23, 1902.

SIR,—Customs officer E. S. Busby, employed as acting inspector on the Yukon frontier, is in receipt of \$2,000 per annum as salary, and also received a living allowance up to December 31 last, at the rate of \$50 a month, and from February 1 at the rate of \$75 a month. I find that in December and January last he made a trip, presumably on government business, from Skagway to Ottawa and return, leaving Skagway on December 1 and returning there on or about January 28. The whole of the expense of this trip, including living as well as transport, was paid by the department. I do not think that, while he was absent from the Yukon district, with his expenses paid by the government, he should have received the \$50 a month living allowance. I also notice that Mr. Busby does considerable travelling to inspect the various outports, and that, when he is so engaged, his living expenses are paid, in addition to his drawing his full living allowance. Please explain why you have allowed Mr. Busby to charge both living expenses and living allowance for the same period.

I am, sir, your obedient servant,

The Commissioner of Customs.

FREDERICK HAYTER, *for A.G.*

CUSTOMS DEPARTMENT, OTTAWA, July 31, 1902.

SIR,—I have received your letter of the 23rd instant, in which you take exception to the payment to Mr. acting Inspector Busby, of the sum of \$50 per month as living allowance during the time he was visiting Ottawa on government business. As Mr. Busby has a family, and the allowance of \$50 per month was given him to meet the cost of living at Skagway and as he did not bring his family to Ottawa with him I do not see that any further explanation of the payment referred to is necessary.

I am, sir, your obedient servant,

The Auditor General.

JOHN McDOUGALD, *Commissioner.*

Purchase of Books not made through Stationery Office.

AUDIT OFFICE, OTTAWA, July 24, 1902.

SIR,—Customs cheque No. 70522, voucher 1729, is for the payment of \$42 to E. A. Posselt, of Philadelphia, for books on Textile Manufacturing. This purchase should have been made through the stationery office as is required by the Act respecting the Department of Public Printing and Stationery.

I am, sir, your obedient servant,

The Commissioner of Customs.

FREDERICK HAYTER, *for A.G.*

CUSTOMS DEPARTMENT, OTTAWA, July 31, 1902.

SIR,—I have the honour to acknowledge receipt of your letter of the 24th instant, stating that this department should have purchased through the stationery office the books on Textile Manufacturing, for which the sum of \$42 was paid to Mr. E. A. Posselt, of Philadelphia, Customs cheque No. 70522, voucher No. 1729. If you will refer to the appropriation of this department for the Outside Service you will notice under the heading of "Miscellaneous" an item for subscription to commercial papers, &c., and it has always been the practice in past years to purchase such papers and books of a technical character direct by the department and without reference to the stationery office. Am I to understand that accounts for commercial papers chargeable against this appropriation are to be forwarded to the stationery office for payment in future?

I am, sir, your obedient servant,

The Auditor General.

JOHN McDOUGALD, *Commissioner*.

Expenses of Steam-launch "Lucy Clive."

AUDIT OFFICE, OTTAWA, July 25, 1902.

SIR,—Let me call your attention to the payments made in connection with the steam-launch *Lucy Clive*, which has been engaged in the Customs service at Halifax since August last. The expenses of bringing her from Pictou to Halifax are charged to the contingencies of the port of Halifax. The coal used up to November 30 is charged to the contingencies of the port of Halifax. The coal used after that date is charged to the vote for "Revenue Cruisers." The water required for the boat up to December 31 is charged to the contingencies of the port of Halifax. The salary of the captain for the months of August and September is charged to the vote for "Revenue Cruisers"; in October and succeeding months this salary is charged to the vote for Preventive Service. The repairs and general supplies are charged, some to the contingencies of the port of Halifax, and some to the vote for "Revenue Cruisers." Please have all the expenses of this boat charged to one appropriation instead of being distributed over three.

I am, sir, your obedient servant,

The Commissioner of Customs.

FREDERICK HAYTER, *for A.G.*

CUSTOMS DEPARTMENT, OTTAWA, July 31, 1902.

SIR,—I have the honour to acknowledge receipt of your letter of the 25th instant calling my attention to the fact that payments made in connection with the Steam Launch *Lucy Clive* have been charged to three different appropriations. In the early part of the fiscal year the expenses in connection with this boat were included in error by the Collector of Customs at Halifax in his monthly contingent account and they were paid in the interim through contingencies. It was the intention of the department to charge all of the expenses of this boat to the vote for revenue cruisers and when you receive the transfer entries of the department for the fiscal year you will find that the necessary adjusting entries have been made.

I am, sir, your obedient servant,

The Auditor General.

JOHN McDOUGALD, *Commissioner*.

SESSIONAL PAPER No. 1

Hire of tug 'Gladiator' in connection with Seizures.

AUDIT OFFICE, OTTAWA, July 25, 1902.

SIR,—It appears from your expenditure vouchers, that the tug *Gladiator* is hired for customs services from J. W. Gordon, North Sydney, at the rate of \$32.66 a day. From July 1 to January 31 last, the payments for this boat were charged against the vote for 'Revenue Cruisers,' with the exception of the hire for the month of September, which was charged against 'Seizures Generally.' Please inform me of your reasons for charging the hire of this boat for the month of September against 'Seizures Generally' instead of against the vote for 'Revenue Cruisers.'

I am, sir, your obedient servant,

The Commissioner of Customs.

FREDERICK HAYTER, *for A.G.*

CUSTOMS DEPARTMENT, OTTAWA, August 11, 1902.

SIR,—I have the honour to acknowledge receipt of your letter of the 25th instant respecting the expenditure on account of the tug *Gladiator* for the fiscal year ending June 30 last, and asking the reasons for charging the hire of this boat for the month of September against seizures generally. By Order in Council of November 2, 1900 covering regulations and instructions respecting customs seizures it was ordered that 'the proceeds of all customs seizures and of all fines and penalties imposed in connection with any customs seizure or for violation of any customs law, after deducting thereout the awards to collectors, seizing officers and informers during each fiscal year, shall be available as a fund out of which the Minister of Customs may authorize the payment of any expenses legitimately incurred and regularly vouched for in connection with customs seizures and Customs Preventive Service and the expenditure so authorized shall be charged as for seizures generally'. The order in Council referred to is the reason for charging the expenses of this boat to seizures generally and it is the intention of the Department to transfer the accounts of the *Gladiator* charged against revenue cruisers to seizures generally when the necessary adjusting entries for the past fiscal year are being made, as this boat is employed exclusively in Preventive Service.

I am, sir, your obedient servant,

The Auditor General.

JOHN McDOUGALD, *Commissioner.*

Re Drawbacks on Iron Bridges for Canadian Pacific Railway.

AUDIT OFFICE, OTTAWA, June 27, 1902.

SIR,—I have received your application for payments to certain Bridge Companies of the amounts authorized by the Order in Council of June 4; also affidavits of the chief engineer of the Canadian Pacific Railway and of an official of each of the Bridge Companies.

These affidavits show that these bridges were built, one in 1894, one in 1895, two in 1896, ten in 1897, thirteen in 1898, five in 1899, one in 1900 and seven in 1901. Please explain why application for these claims has been so long delayed.

The greater number of these affidavits are dated July, 1900, a few in December, 1901. Phelps Johnson, described as 'of the Dominion Bridge Company,' swears that the company furnished the Canadian Pacific Railway Company with material for bridges, as shown below, and that he has been informed and believes that the said material was used by the said company for bridges in the original construction of said Railway.

COPY of Details on first Affidavit.

P. Alexander Peterson, chief engineer of the Canadian Pacific Railway Company, swears that he purchased from the Dominion Bridge Company 2,099,710 pounds of iron named in the affidavit of Phelps Johnson, hereto attached, and that the said steel was used by said Railway Company in original construction of the main line of said Railway. These affidavits do not, I think, furnish sufficient information to justify the passing of these claims.

Section 33 of the Audit Act provides that in addition to any other voucher or certificate which is required, the officer under whose special charge such part of the public service is, shall certify that the work has been performed or the material supplied, &c. If Mr. Peterson and Mr. Johnson had personal knowledge of the facts they swore to, it should be so stated in their affidavits; if not, affidavits from those who had personal knowledge should be furnished.

In addition to these affidavits, I have to ask for copies of the invoices of the Dominion Bridge Company covering each of those claims; an affidavit of the resident engineer at the construction of each bridge, describing the class of bridge replaced, the class of bridge erected and the quantity of iron used.

I am, sir, your obedient servant,

The Commissioner of Customs.

J. L. McDOUGALL, A.G.

SESSIONAL PAPER No. 1

CUSTOMS DEPARTMENT, OTTAWA, August 11, 1902.

SIR,—Referring to your letter of June 27, 1902, in the above matter, I send you herewith the certificates of the Chief Engineer of the Department of Railways and Canals and of Engineers in that Department, regarding the construction of these Bridges and the quantities of materials used therein.

The claims have been under the consideration of the Government for some time, but the application for payment has been made to you as soon as possible after the same had been authorized by Order in Council of June 4, 1902.

It would appear that one of the Bridges is not yet in place, viz.:—one span of 33 ft. for the Illecillewaet 13th crossing.

As to the invoices furnished to the C.P.R. by the Bridge Companies for these Bridges, the Railway Company states (as the invoices are bound up in books) that it would be well nigh impossible to send the invoice books to Ottawa, but they are available at the Company's Office at Montreal for inspection by an Officer for audit.

I am, sir, your obedient servant,

The Auditor General.

JOHN McDOUGALD, *Commissioner*.

Re Collector's Bank Account, Port of Montreal.

AUDIT OFFICE, OTTAWA, May 30, 1902.

SIR,—In your letter of June 4, 1901, you stated that the statements of the Collector's bank account at the Port of Montreal, commencing with July 1, 1901, would contain the information referred to in my letter of April 20.

No statements of this account, nor the cheques issued since July 1, 1901, have yet reached this office.

Your early attention is requested.

I am, sir, your obedient servant,

The Commissioner of Customs.

J. L. McDOUGALL, *A.G.*

CUSTOMS DEPARTMENT, OTTAWA, June 6, 1902.

SIR,—I have the honour to acknowledge receipt of your letter of the 30th ultimo in which you state that the bank statements of the port of Montreal since July 1, 1901, have not been furnished you.

These statements with paid cheques would have been forwarded to you promptly were it not for the fact that there is a small discrepancy between the balance as shown by the Collector of Customs and as shown by the Bank of Montreal, and it was thought advisable to hold the statements until the difficulty had been adjusted.

I am sending you, under separate cover, bank statements of the port of Montreal with relative paid cheques from July 1 to February 28 last, and they will be forwarded promptly in future.

The difference in the balances as above referred to, is being adjusted as speedily as possible.

I am, sir, your obedient servant,

The Auditor General.

JOHN McDOUGALD, *Commissioner*.

Kindly call the collector's attention at St. John to these overpayments and ask that the amounts paid in excess of those allowed by the King's Printer be refunded.

Re Customs Revenue.

AUDIT OFFICE, OTTAWA, November 25, 1902.

SIR,—The increase in the receipts on account of customs during 1901-2, as compared with the previous year was \$3,317,669.45.

Nevertheless, there are several ports at which there was a decrease. Where the decrease was relatively large, which it was in many cases, your inspectors have no doubt made special inquiry and satisfied themselves that it did not arise from the non-accounting of the funds. In some cases there may be satisfactory reasons for the decrease.

I inclose a statement of all the ports showing a decrease, and will be glad to hear from you in reference thereto where the decrease is say more than 10 per cent of last year's collection.

I am, sir, your obedient servant,

The Commissioner of Customs.

J. L. McDOUGALL, A.G.

Purchase of Books, &c., otherwise than through the Stationery Office.

AUDIT OFFICE, OTTAWA, October 20, 1902.

SIR,—I have had some correspondence with the King's Printer regarding the practice which prevails in several departments, of giving orders for books, maps, stationery and printing or similar work, to outside firms, or canvassers instead of ordering through the Department of Printing and Stationery as provided by the Act respecting that department. The amount so ordered by your department during the year 1901-2 is as follows:—

In connection with this matter let me ask your attention to the inclosed copy of a letter addressed to me by the King's Printer. This method of ordering printing and stationery is manifestly in contravention of the Printing and Stationery Act and should be discontinued. If the existing plan works so inconveniently that it ought to be changed, although I do not see that it can, the Minister of your department should move the Governor in Council to recommend an amendment to Parliament. In the meantime the provisions of the Act should be observed. I am now asking the King's Printer to report at the end of each month any irregularities which he may find in the accounts of the month, so as to deal with them promptly, instead of waiting until the end of each year.

I am, sir, your obedient servant,

The Acting Director, Geological Survey.

J. L. McDOUGALL, A.G.

GEOLOGICAL SURVEY, OTTAWA, November 3, 1902.

DEAR SIR,—I have received your letter dated 20th ult., in reference to the purchase by this department of books and journals directly from dealers instead of through the King's Printer. I have consulted our Librarian, Dr. Thorburn, as to the circumstances under which these purchases were made, and I beg to inclose you herewith his letter of explanations fortified by correspondence relating to some of the cases. Although this is one of the few branches of the public service which might be excused for the course pursued, we have transgressed the letter of the law only to a very slight extent, compared with other departments for whose action perhaps no such good reason existed. On perusal of Dr. Thorburn's letter you will see that it would be a great convenience to us if some slight latitude were allowed in this connection, and I trust that you may be able to authorize the King's Printer to allow us to continue the custom which we have followed for so many years, seeing that the slight apparent irregularity is in the interests of the service and almost unavoidable in our case.

Yours truly,

The Auditor General.

ROBERT BELL, *Acting Director*.

GEOLOGICAL SURVEY, OTTAWA, October 30, 1902.

DEAR SIR,—In reply to the letter of the Auditor General of date the 20th, in which he calls your attention to the fact that a number of the publications ordered by the Geological Survey Department have not been through the Department of Printing and Stationery, as provided by the Act respecting that department, I may be permitted to make the following statement regarding this matter as most of the publications were ordered by me. I may premise that most of the publications purchased by us were scientific periodicals from various countries and were obtained at subscription rates upon which no discount was allowed. These subscriptions, in several cases, have been going on from the time prior to the removal of the Survey to Ottawa. I may further state that, occasionally, books that we specially want, and which are out of print, are advertised in second-hand booksellers' catalogues at cheap rates, and unless they are ordered at once there is great danger of their being purchased by some other person. A case of this kind occurred only recently. H. Welter, second-hand bookseller in Paris, advertised a book for 5 francs, for which Dr. Selwyn at one time paid \$15. I at once wrote for it, but was informed that it had been sold before my letter reached Paris, and cases of this kind have repeatedly occurred. Again, there are cases when the publications are not sent till they are paid for. I may mention one such case. A number of the publications of the Palaeontographical Society were purchased by the Survey before coming to Ottawa, and wishing to complete our set I wrote to Dr. S. E. Dawson, King's Printer, January 5, 1889, asking him to send to the Rev. Prof. Thomas Wiltshire, Secretary of the Palaeontographical Society, for certain volumes, informing him at the same time that these publications were not sent till they were paid for. The subjoined correspondence will show what the result was. They had ultimately to be obtained through Edward Stanford, London, March 25, 1899. Under these circumstances, it appears to me very reasonable that some degree of latitude should be given to the Survey in meeting cases of this kind when they occur.

Yours very truly,

The Acting Director, Geological Survey.

JNO. THORBURN, *Librarian*.

AUDIT OFFICE, OTTAWA, November 6, 1902.

SIR,—Among the accounts received by me yesterday, in support of your application for bills of exchange in favour of different dealers for stationery and books chargeable to Stationery Office stock, I find one in favour of Gurney & Jackson for the amount of £26 12s. 10d., for books and subscriptions to scientific periodicals for the Geological

SESSIONAL PAPER No. 1

Survey. These supplies appear to have been ordered direct from the dealers by the Geological Survey Department, instead of being ordered through the medium of your department as is required by section 3 of the Printing and Stationery Act. In this connection I beg to inclose herewith a copy of a letter received from Dr. Bell, the Acting Director, in reply to one of mine calling attention to similar payments made during the last fiscal year. I would be glad to have your opinion of the explanation put forward by the Librarian. I am holding the application in favour of Gurney & Jackson until I hear from you in this matter.

I am, sir, your obedient servant,

The King's Printer.

J. L. McDOUGALL, A.G.

PUBLIC PRINTING AND STATIONERY DEPT., OTTAWA, November 11, 1902.

SIR,—I have received your letter of the 6th inst., referring to an account of Gurney & Jackson against the Geological Survey of Canada, together with copies of letters from Dr. Bell and the Librarian of the Geological Survey.

The Librarian's letter contains two propositions which are separate and distinct. The first is that I declined to pay in advance for certain goods. I think that the ground I took as shown in the correspondence was sound. I do not think that it is right for a Government officer to pay for something which he does not get delivery of. I do not see what vouchers I could send in to the Audit Office to cover such a payment. Such a case as the Palaeontographical Society is exceptional, and the Survey should take its own risk. It is not an excuse for a regular breaking of the law. The second question is regarding the supply of books and periodicals. The purchases of books which are made direct are made at retail prices. That is evident upon this very bill before you. The King's Printer buys books at a discount of 25 per cent, and when second-hand books are wanted he buys them at a discount of 10 per cent. In the case of English periodicals there is an equal discount. As regards foreign periodicals I send inclosed a list of prices charged to other departments by the Bureau for five of the same periodicals. You will see that the total price charged for these five by the Bureau was \$27.07, and the price charged by Gurney & Jackson was \$31.22. These are actual prices charged, not estimates. I have no doubt that the saving over all the list of foreign periodicals is the same.

It would be strange if, with the experience of a lifetime in the book, stationery and printing trades I were not able to purchase such articles on more advantageous terms than people who have had no experience in these businesses. When I came here I opened direct accounts with firms in London, Leipsic, Paris and the large cities of the United States. What articles are bought by me when I am not meddled with are bought on the lowest terms supplied to the trade, together with such cash discounts as prompt payment can secure. I do not covet the business of supplying periodicals, for it is troublesome ; but I will not acquiesce in anything which would imply in the remotest degree that all such business cannot be done with more advantage through the Bureau than direct. Dr. Bell remarks that 'this is in the interest of the service.' I understand a little of geology and think I have natural ability up to the level of the civil service, but I would never venture to think that it was in the interest of the service that I should interfere with his duties. I wonder that such a pretension should be set up to my detriment, and what intellectual defect there is in me as compared with any person whomsoever in the Survey which unfits me for the petty business of buying a hundred dollars worth of the periodical literature I have handled since I was a boy. The interest of the public service is best conserved by carrying out the laws of the service. Gurney & Jackson are retail booksellers in London and have no more facilities of supply than the Bureau and buy at no better terms. They sell at a profit, as it is right they should. In conclusion, the question seems to me to be in a nutshell. The

Government and Parliament have ordered the departments to do certain things, and some of them feel that they know better and disobey.

I am, sir, your obedient servant,

The Auditor General.

AUDIT OFFICE, OTTAWA, November 17, 1902.

SIR,—I am in receipt of your letter of the 11th instant in regard to the purchase of books and scientific publications by the Geological Survey without reference to your department. The method heretofore followed by the Survey officials of ordering direct is indefensible in the legal aspect and seems to be equally so on the head of economy. I must therefore decline to take the responsibility of passing the account now before me, viz., that of Gurney & Jackson for £26 12s. 10d. for scientific publications for the Geological Survey.

I am, sir, your obedient servant,

The King's Printer.

J. L. McDOUGALL, *A.G.*

AUDIT OFFICE, OTTAWA, November 18, 1902.

SIR,*—I am in receipt of your letter of the 3rd instant, in reply to mine of the 20th ulto., in reference to the purchase of books and journals directly from dealers instead of through the King's Printer. A copy of your letter and of the letter of your librarian, which accompanied it, was sent to the King's Printer for any remarks he might have to make thereon. I now send you a copy of letter of the King's Printer to me with reference to your contentions. I trust that after reading this letter you will see clearly that, first, the only legal way for you to purchase books, &c., whether technical or otherwise, is through the medium of the King's Printer, as is enacted in the Public Printing and Stationery Act; and, second, the most economical way is to purchase through the King's Printer, as in that way the Government gets the advantage of trade discount, &c. I have before me at present an account for £26 12s. 10d. in favour of Gurney & Jackson for scientific works ordered by you, the account being afterwards sent to the King's Printer for payment. Under the circumstances I am obliged to take the responsibility of declining to authorize the payment of this account, and return it to the King's Printer.

I am, sir, your obedient servant,

The Acting Director, Geological Survey.

SESSIONAL PAPER No. 1

All Engraving, Lithographing, etc., must be ordered through the King's Printer.

GEOLOGICAL SURVEY, OTTAWA, April 4, 1902.

DEAR MR. McDUGALL,—I hope you have found that there will be nothing to prevent me dealing with the map-engravers direct, instead of through the King's Printer, as we have been doing for the last six years or so. The King's Printer himself wants to be rid of this, as you would see by his letter, of which I sent you a copy yesterday. We will save much time and money by attending to this business direct. It appears that the late Dr. Geo. Dawson wished to escape responsibility, and so asked for the present system, which has been found to work badly all the time. We have a contract for engraving a map waiting some time to give out, and as it is required to be done as soon as possible, we would like to have your decision. The tenders are all in and the engravers are pressing for an answer.

Yours faithfully,

ROBT. BELL.

The Auditor General.

AUDIT OFFICE, Ottawa, April 5, 1902.

SIR,—I am in receipt of a letter from Dr. Bell, acting director of the Geological Survey, a copy of which I inclose. Dr. Bell has also sent me a copy of a portion of a letter written to him by you on Feb. 4 last. From this correspondence it would appear that you are desirous of getting rid of the ordering and supervising the map engraving for the Geological Survey, and wish Dr. Bell to make his own arrangements therefor. Section 3 of the Public Printing and Stationery Act provides that all printing, stereotyping or electrotyping, lithographing or binding work, or work of a like nature, shall be executed subject to the superintendence and audit of the proper officer of the department. Although engraving is not specifically mentioned in the foregoing, I think it would naturally come under the head 'work of a like nature.' If this view is correct you cannot avoid responsibility or transfer it to another department. Please let me hear from you at your earliest convenience and give me your view of the part of the Act quoted.

I am, sir, your obedient servant,

The King's Printer.

J. L. McDUGALL, A.G.

PUBLIC PRINTING AND STATIONERY DEPARTMENT, OTTAWA, April 8, 1902.

SIR,—Your letter of April 5 is to hand. You omitted to inclose Dr. Bell's letter, but it is not necessary to send it. The inclosed complete copy of my letter of February 4 (of which Dr. Bell sent you an extract) will explain my position. I do not deny that this work is placed by statute in this department; but, if so, it should be left to this department to carry it out. And again, when accounts have been examined here and the prices are found fair and just and the accounts have been paid I expect to have the amounts refunded by the Survey at once. At the present time the Survey owes somewhere about \$1,000 for money paid out of the Advance Account, and I want it repaid. I object to use the Advance Account to pay for lithography and engraving to outside parties unless the money be repaid promptly; and of the reasonableness of the charges I claim to be the ultimate judge under the same statute you cite. In short, I am willing either to attend to the work or to let it alone; but, if the work be laid upon me by the statute I claim under the same statute to be permitted to attend to it as I attend to the other matters therein mentioned, and to be permitted to know when the prices charged are fair and just. Without entering into technical details or contentious matter I have proposed that the survey should in future put out its own lithographic and engraving work. It is abundantly clear that under the statute I should either have the full responsibility or none at all.

I am, sir, your obedient servant,

The Auditor General.

S. E. DAWSON, K. P. and C. S.

PUBLIC PRINTING AND STATIONERY DEPARTMENT, OTTAWA, February 4, 1902.

DEAR SIR,—On the 23rd January I received a requisition from you for engraving nine copperplates, as per specification and patterns. The order was given to Mortimer & Co., in accordance with the specifications you sent down. Afterwards Mr. Senecal went to Mortimer's and supplemented or modified—I do not know which—these instructions; and on the 31st the Accountant received a letter from Mr. Senecal making changes and modifications in the specifications, and requesting Mr. Gliddon to give further instructions in the matter. Concerning this I would remark that it is irregular for a requisition signed by a deputy to be altered by any subordinate officer, and it is also clear to me that the instructions as they now stand are confused and contradictory. In fact, I think that Mr. Senecal has undertaken to manage a business the conditions of which he does not fully understand. These processes of engraving, lithographing and photographing are complicated, and it is very unsafe for any one not trained in the business to undertake to give technical instructions to those who are. Without dwelling, however, on that, I write to say that I have cancelled, so far as I am concerned, the order at Mortimer's. My notice to Mortimer was just in time to prevent any expense being incurred, and it is *res integra* for you to take such steps as may seem desirable in the premises. There is no use whatever in two departments undertaking to attend to such petty matters as these. My department has been instituted for a definite purpose, and yours has been instituted for a widely different purpose. I have no desire to interfere with yours, and I do not lay claim to any knowledge concerning matters within your sphere. I claim, however, the privilege of attending to matters in my department myself, or by my own officers; and I deprecate interference with my department as much as you would probably deprecate it in yours. In order, however, to avoid any dispute, I write to say that I shall be glad if you will give your orders in future for your map work direct, without my intervention, to such firms as may seem advisable in your opinion. You will then be in a position to give such instructions and make such arrangements as may appear to you right. If it be necessary, when the work is complete, to send the bills here for audit, I shall be glad to audit them; but if not, I shall be equally well satisfied. The work which is now going on, excepting this present matter in question, can be completed under the old arrangement; but all future work will be carried on absolutely by yourself and your own officers, without reference here. I trust in that way matters will go on more smoothly than they have been doing for some time back.

Yours truly,

S. E. DAWSON, K. P. and C. S.

The Acting Director, Geological Survey.

AUDIT OFFICE, OTTAWA, April 9, 1902.

SIR,—I beg to acknowledge receipt of your letters of the 3rd and 4th instant with regard to the engraving and map work required by your department, where you appear to be desirous of ordering yourself and not through the King's Printer. In reply I beg to call your attention to section 3 of the Act respecting the Department of Public Printing and Stationery, which enacts that 'all printing, stereotyping or electrotyping, lithography or binding work, or work of a like nature, shall be executed and shall be procured subject to the superintendence and audit of the proper officer of the Department' (i.e., of the Department of Printing and Stationery).

Although engraving is not specially mentioned in the above, I take it to be included in the term 'work of a like nature.' You will see from the letter received by me from the King's Printer, a copy of which I inclose, that he also takes this view of the case. Under these circumstances I could not possibly pass any account for work of this nature which had not been both superintended and audited by the King's Printer. I notice that the King's Printer in his letter to you of February 4, says that, if it be necessary, he will be glad to audit the bills if sent to him when the work is completed;

SESSIONAL PAPER No. 1

but this would not be sufficient, as the section quoted above distinctly states that the work shall be both superintended and audited by the King's Printer. The King's Printer further states in his letter to you of February 4th that, after certain work had been given to the Mortimer Co. with proper instructions, Mr. Senecal of your department went to the Mortimers and modified these instructions, and that subsequently further changes in the specifications and instructions were made by Mr. Senecal. As the superintendence of such work is given to the King's Printer by Statute, no modifications nor changes in the instructions originally given to the engravers should be made except through the King's Printer, and any changes or modifications suggested other than through this channel should not be acted upon by the engravers.

Dr. Dawson in his letter to me of the 8th instant states that your department now owes him about \$1,000 for money paid out of the Advance Account. As the Printing and Stationery Act states that this work shall be procured subject to the audit of the King's Printer, I do not see, when once he has certified that the charges made are fair and just, that you can do anything more than promptly pay the accounts so certified. Until the Act is amended, the King's Printer must have sole superintendence and audit of the work.

I am, sir, your obedient servant,

The Acting Director, Geological Survey.

J. L. McDUGALL, A.G.

DEPARTMENT OF PUBLIC PRINTING AND STATIONERY,

OTTAWA, February 6, 1902.

SIR,—Replying to your letter of the 4th instant, I would direct your attention to 51 Vic., cap. 17, sec. 2. This substitutes a new section 3 for the previous one. I do not see how a clause more sweeping can be framed. It covers 'all paper, books and other articles of stationery of whatsoever kind.' Maps are, of necessity, included, and, since the passing of the law in 1887, so it always has been held.

While writing on the subject of the Geological Survey, I beg to say that my attention has been drawn to a letter at page 15 of part 'H' of your report. In objecting to the law under which the map work of the Survey is put out through the King's Printer, the Acting Director observes: 'It appears that the late Dr. George Dawson wished to escape responsibility and so asked for the present system which has been found to work badly all the time.'

I take exception to this statement, both as to substance and form. The law has been the same since 1887, as you will see on reference to the Revised Statutes. I inclose you a copy of a letter (one of many) from the late Dr. Selwyn to the Accountant of this department, dated February 25, 1891, showing the present system in operation before his appointment. The Accountant, who is the officer charged with this class of work, is seen arranging with a firm in this city for a map in the usual course of his duties. The 'present system' is nothing other than a Statute of Parliament, forming part of the Revised Statutes, which are the law of the land. The late Dr. George Dawson, you will therefore see, did not 'ask for the present system.' He followed the law enacted many years before his appointment and the custom in use by his predecessor. It was no character to 'wish to escape responsibility' for anything which fell within the scope of his duty, whether public or private.

I am, sir, your obedient servant,

The Auditor General, Ottawa.

S. E. DAWSON, K.P. & C.S.

Payment to Officer of Customs, for Geological Services.

AUDIT OFFICE, OTTAWA, August 18, 1902.

SIR,—I find that you have paid G. F. Matthew, of St. John, the sum of \$240 for his services in the summer of 1901 studying the Cambrian area in New Brunswick and Cape Breton and collecting fossils and making a report thereon. This payment is for two months' services at \$120 a month. Mr. Matthew is Surveyor of Customs at the port of St. John, and as such is precluded by Section 51 of the Civil Service Act from receiving any remuneration over and above his regular salary as Customs Surveyor. Kindly obtain a refund of the amount from Mr. Matthew.

I am, sir, your obedient servant,

The Acting Director, Geological Survey.

J. L. McDOUGALL, *A.G.*

GEOLOGICAL SURVEY, OTTAWA, September 5, 1902.

SIR,—Absence on field-duty and pressure of business since my return has prevented the acknowledgment of your letter of the 18th instant respecting the payment of \$240 to Dr. G. F. Matthew, for his services while conducting an examination and report on certain geological areas in New Brunswick during 1901. In reply I would refer you to my letter of October 17 last in reply to yours of the 16th of the same month, and further state that Dr. Matthew's work was but a continuation of that already begun many years ago, for which he has special qualifications, probably possessed to the same extent by no other person, the payment for which had never been questioned, and was altogether foreign to his duties as Surveyor of Customs. I may add that Dr. Matthew was not employed by this department, on field duty during the current season.

I am, sir, your obedient servant,

The Auditor General.

SESSIONAL PAPER No. 1

Payment of Caretaker at Mount Elgin Institute.

AUDIT OFFICE, OTTAWA, August 26, 1902.

SIR,—Indian cheque No. 958, Ontario and Quebec, charged against the vote for schools in Ontario, Quebec and Maritime Provinces, is for a payment of \$246.77 to Mount Elgin institute to pay for the services of E. W. Faulds as caretaker from March 5 to December 31, 1901.

As this Institute is in receipt of an annual per capita grant from the Government I would ask upon what authority this payment has been made and if it is not properly chargeable against the grant allowed the school.

I am, sir, your obedient servant,

The Secretary, Indian Affairs.

J. L. McDOUGALL, A.G.

DEPT. OF INDIAN AFFAIRS, OTTAWA, September 17, 1902,

SIR,—In reply to your letter of the 26th ultimo, I beg to inform you that it was found necessary to employ a watchman temporarily at the Mount Elgin Industrial School to protect the department's interest in the buildings, and it was not considered that the wages of this watchman were properly chargeable against the grant for ordinary maintenance of the Institution.

I am, sir, your obedient servant,

The Auditor General.

J. D. McLEAN, Secy.

Accounts wanted for Advance to Agent Sims for Travelling expenses.

AUDIT OFFICE, OTTAWA, November 5, 1902.

SIR,—On July 2, 1901, cheque No. 6 for the amount of \$100, was issued in favor of Agent C. L. D. Sims on account of travelling expenses paying Robinson Treaty annuities. As yet I have received no account of Mr. Sims' expenditure under this advance nor could such accounts be obtained on an informal inquiry in your accountant's office. As this advance should have been accounted for over twelve months ago, and as Mr. Sims has since received an advance for similar services for the current year, I have to ask that accounts of this expenditure be immediately obtained from Mr. Sims.

Please notify Mr. Sims that his salary to the amount of these advances will be retained until the statements of expenditure have been received.

I am, sir, your obedient servant,

The Secretary, Indian Affairs.

J. L. McDOUGALL, A. G.

Sub-votes should be fuller described, if they are to cover certain Payments.

AUDIT OFFICE, OTTAWA, October 7, 1902.

SIR,—Indian cheque No. 390 (Manitoba and North-west Territories) is for a payment of \$40.74 to the Rat Portage Lumber Co. for windows supplied at various places in the Manitowapah Agency and is charged to vote 2 "Agricultural Implements". I would take it that these windows were furnished for the purpose of repairing and building houses for destitute Indians, and therefore should have been charged to vote 5 "Supplies for Destitute and Working Indians". I shall be glad to know your reasons for charging this payment to vote 2 instead of vote 5.

• I am, sir, your obedient servant,

The Secretary, Indian Affairs.

J. L. McDOUGALL, A.G.

DEPARTMENT OF INDIAN AFFAIRS, OTTAWA, Oct. 9, 1902.

SIR,—In reply to the inquiry in your letter of the 7th instant, I beg to say that official cheque No. 390 for \$40.74, which was issued in favour of the Rat Portage Lumber Co., for windows supplied for various points in the Manitowapah Agency was charged against vote two, for the reason that the amount in question was included in the Estimates under that subhead which covers 'implements, tools, hardware and lumber supplied for destitute Indians.' I may add that lumber, glass, &c., for Indians' houses is provided for under vote two not vote five.

I am, sir, your obedient servant,

The Auditor General.

S. STEWART, *Asst. Secretary.*

AUDIT OFFICE, OTTAWA, Oct. 14, 1902.

SIR,—I am in receipt of your letter of the 9th instant with reference to the payment of accounts for material supplied for Indians' houses out of the vote for agricultural implements. In that letter you state that the item in question was included in the estimates under that subhead which covers tools, hardware and lumber supplied to destitute Indians. I can find no such subhead in the estimates submitted to Parliament and passed by Parliament. The vote in question, according to the estimates submitted to Parliament, and according to the supply bill, is only for 'agricultural implements.' If this vote is intended to cover payments of the nature of the one in question, it will be necessary to alter the wording of your estimates. As it stands, such payments do not appear to be proper payments out of the vote for agricultural implements.

I am, sir, your obedient servant,

The Secretary, Indian Affairs.

J. L. McDUGALL, *A.G.*

DEPARTMENT OF INDIAN AFFAIRS, OTTAWA, Oct. 17, 1902.

SIR,—Referring to your letter of the 14th instant, and previous correspondence, I beg to say that hereafter the heading of vote two in the estimates for this department will read as follows: '*Agricultural implements, tools, hardware, lumber and building material for Indians.*'

I am, sir, your obedient servant,

The Auditor General.

S. STEWART, *Asst. Secretary.*

Payments to agents for Supplies must be supported by Receipts from the Dealers.

AUDIT OFFICE, OTTAWA, Nov. 7, 1902.

SIR,—Indian cheques Nos. 3081 and 6426 (Manitoba and North-west Territories) are for payments of \$10. each to Mr. W. E. Jones, Indian agent at Duck Lake, for postage stamps purchased. These payments are not supported by any receipts from the person from whom the stamps were bought. I must ask that in future all similar accounts be not paid unless they are accompanied by proper receipts from the party who sold the goods and received the money.

I am, sir, your obedient servant,

The Secretary, Indian Affairs.

J. L. McDUGALL, *A.G.*

SESSIONAL PAPER No. 1

Apparent overpayment to A. McBride for Hardware Supplies.

AUDIT OFFICE, OTTAWA, NOV. 7, 1902.

SIR,—I beg to call your attention to what appears to be an overpayment in the accounts of A. M. McBride & Co. Cheques Nos. 1224 and 4922 (Manitoba and the North-west Territories) are for payments to this firm of \$3.15 and \$184.39 respectively. The following constitute the items of the first payment:—

2 push plates.....	\$1 00
1 No.26 front door set.....	1 75
1 foot bolt.....	0 40

These items, with the date of purchase and the number of the letter authorizing the purchase of them, correspond with the first three items in the account of the second payment, with the exception that the second item in the first account is \$1.75, whereas it is \$3.50 in the second account. But I notice that this item in the first account was originally charged at \$3.50, but was subsequently altered to \$1.75. From this it appears to me that there is an overpayment of \$4.90 made up of the first three items in the second account.

I am, sir, your obedient servant,

The Secretary, Indian Affairs.

J. L. McDOUGALL, A.G.

Apparent overpayment in account of Salary of H. R. Halpin.

AUDIT OFFICE, OTTAWA, NOV. 10, 1902.

SIR,—I have to ask for an explanation of the charges made on account of the salary of H. R. Halpin, formerly farmer in charge at the Moose Mountain agency, for the months of June and July, 1901. Mr. Halpin was in receipt of a salary of \$75 a month, and a note on the pay-list states that he left the agency on July 23, 1901. His salary from the 1st of June to the time of his leaving would thus amount to \$130.64. The following charges have been made on account of the salary for that time, viz.:—

Cheque 621, Peewinen (Indian) due him by Halpin.....	\$ 10 00
Cheque 1586, Receiver General, overpaid in January, 1901.	10 00
Part of cheque in favour of A. McGibbon, to pay amounts due by Mr. Halpin.....	119 50
	<hr/>
	\$139 50

The amounts allowed, on account of Mr. Halpin's salary, thus appear to be \$8.86 in excess of the amount earned by him. Kindly give me an early explanation of this difference.

I am, sir, your obedient servant,

The Secretary, Indian Affairs.

J. L. McDOUGALL, A.G.

Payments for transport of Pupils for Industrial Schools should be charged against the Grant.

AUDIT OFFICE, OTTAWA, NOV. 10, 1902.

SIR,—Cheques Nos. 5323 and 5354 (Manitoba and North-west Territories) are for payments of \$56.95 and \$179.64 to the Canadian Pacific Railway Company on account of transport of Indian parents and pupils, &c. Of these payments the amounts of \$14.40 and \$68.60 are charged to Red Deer and Regina industrial schools respectively, although they were originally charged in error to Elkhorn industrial school. But as the Red

Deer and Regina schools receive a per capita grant, these are not proper charges against the Government, but rather against the grants to these schools. I would ask therefore that these amounts, viz., \$14.40 and \$68.60 respectively be deducted from the grants to these schools in 1902-03.

I am, sir, your obedient servant,

The Secretary, Indian Affairs.

Claim of R. Boez, Qu'Appelle Industrial School.

AUDIT OFFICE, OTTAWA, November 4, 1902.

SIR,—Cheque No. 3699, Manitoba and North-west Territories, issued on January 7, 1902, is for the payment of \$243.00 to R. Boez in full for all claims for wages at the Qu'Appelle Industrial School. In connection with this payment I beg to ask your attention to the correspondence on a similar payment made in the fiscal year 1899-1900, which correspondence will be found on Page J 157-158 of my report for that year. In this case a payment of \$330 was made to Mr. Boez, through the Hon. Mr. Laird, for arrears of pay at the Qu'Appelle Industrial School and was accepted by him, he giving a receipt in full for his claim. I beg to ask whether the payment now in question is in connection with the same claim of Mr. Boez, or whether it is settlement of a more recent claim against the department. Kindly let me have full particulars of this payment at your earliest convenience.

I am, sir, your obedient servant,

The Secretary, Dept. of Indians Affairs.

Loan to St. Joseph's Industrial School, not repaid as stipulated.

AUDIT OFFICE, OTTAWA, November 10, 1902.

SIR,—I beg to ask your attention to the refunds credited to the expenditure of 1901-2, on account of a loan of \$1,000 to St Joseph's Industrial School in 1900-1. This loan was made with the understanding that it was to be repaid at the rate of \$83.33 per quarter; but I find that only \$75, for each of the last two quarters of 1901-2 as been deducted from the grant to this school. I would ask why the \$83.33 was not deducted from the grant for each quarter in 1901-2, as agreed upon; and also why the amount refunded was not credited to Casual Revenue, it being a refund of the expenditure of the previous year,

I am, sir, your obedient servant,

The Secretary, Indians Affairs.

J. L. McDUGALL, A. G.

DEPARTMENT OF INDIAN AFFAIRS, OTTAWA, November 13, 1902.

SIR,—I beg to acknowledge the receipt of your letter of the 10th. instant, with reference to the re-payment of the loan of \$1,000 to St. Joseph's Industrial school. Although the rate of re-payment as at first determined was to be \$83.33 per quarter, it was on August 26, 1901 altered by the department after consideration of the fact that when the arrangement was made, the Reverend Principal understood that the rate of re-payment was to be the latter amount. The fact that it was necessary to credit this re-payment to Casual Revenue was lost sight of when the books for 1901-02 were closed: but a proper refund will be made for the amount withheld to repay the loan during the current year.

I am, sir, your obedient servant,

The Auditor General.

SESSIONAL PAPER No. 1

Over Payments on Grant to Holy Angels' Boarding School.

AUDIT OFFICE, OTTAWA, June 21, 1902.

SIR,—I beg to call your attention to what appears to be an over-payment of at least \$12, to Holy Angels' Boarding School for the quarter ended December 31, 1901. In the return for the said quarter, pupils Nos. 13 and 14 are reported to have been admitted in November, 1901, (the day of the month being omitted) and therefore were in attendance during the quarter 61 days only, supposing they were admitted the first of the month. The school has been paid the full amount for the quarter for each of these pupils, viz, \$18, instead of \$13.20, thus making an overpayment at least of \$9.60. This school return also shows that pupil No. 011 was admitted at the same time, but being under the age limit, the school was paid \$9, one-half of the full amount for the quarter instead of \$6.60, thus making an over-payment in this case at least of \$2.40. The exact date on which each of these pupils was admitted should be ascertained and the school should only be allowed for the number or days elapsing between that date and December 31. Kindly have the actual overpayment adjusted at the earliest opportunity.

I am, sir, your obedient servant,

The Secretary, Indian Affairs.

J. L. McDOUGALL, A. G.

AUDIT OFFICE, OTTAWA, June 23, 1902.

SIR,—I beg to call your attention to what appears to be an overpayment of \$28.80 to the Holy Angels' Boarding School for the quarter ended September 30, 1900. This overpayment was made by pay being drawn for the full quarter for five pupils who were not admitted to the school until some time after the beginning of the quarter. The following statement shows the dates on which each of these five pupils was admitted and the amount of pay drawn by each:—

J. L. McDOUGALL, A.G.

DEPARTMENT OF INDIAN AFFAIRS, OTTAWA, July 11, 1902.

SIR,—In reply to your letter of the 21st ulto., I beg to say that the overpayment of \$12 to the Holy Angels boarding school for December quarter last will be adjusted on receipt of the next quarterly return. Referring to your letter of the 23rd ultimo, relative to an overpayment to this school on account of the earnings for September

quarter, 1900, I have to call your attention to the fact that the amount overpaid should be \$22.80, instead of \$28.80, as computed by you, as no payment was made for pupil No. 015 whom you credit as having received \$6. The overpayment of \$22.80 will also be deducted at the earliest opportunity.

I am, sir, your obedient servant,

The Auditor General.

Explanation asked for certain Annuity Payments, Treaty 8.

AUDIT OFFICE, OTTAWA, July 7, 1902.

SIR,—I beg to ask your attention to the following payments made by Mr. Conroy for treaty payments to the Whitefish Lake Band, Treaty 8, in December last, for the year 1902. Joseph Laboucan, band No. 24, was paid for himself and wife, for the year 1899, two gratuities of \$12 each; for the year 1900 he was paid two annuities of \$5 each; for the year 1901 he was paid two annuities of \$5 each, and one gratuity of \$12, a boy having been born in the interval; for the year 1902 he was paid \$27, being three annuities of \$5 each, and one gratuity of \$12, a girl having been born in the interval. I do not see why the last two gratuities were paid, as annuities only of \$5 each should have been drawn for these children. The gratuity was payable to only those who were members of the band at the time of the making of the treaty in 1898. Gratuities are not payable for children born after the band subscribed to the treaty. There seems to have been an overpayment of \$14 in this case.

In the case of Antoine Laboucan, No. 23, of the Whitefish Lake Band, \$60 was paid for the year 1899, being five gratuities at \$12 each; for the year 1900, \$25 was paid, being five annuities of \$5 each; for the year 1901, \$37 was paid, being five annuities of \$5 each and one gratuity of \$12; for the year 1902 there were six annuities of \$5 each. A note opposite this man's name in the payroll states: 'One boy, two years old, \$10 deducted for annuity.' I should like an explanation of this payment and of the note made thereon.

I am, sir, your obedient servant,

The Secretary, Indian Affairs.

J. L. McDOUGALL, *A.G.*

DEPARTMENT OF INDIAN AFFAIRS, OTTAWA, November 10, 1902.

SIR,—I have to acknowledge receipt of your letter of July 7th, which has been held for explanations by Mr. H. A. Conroy. It is quite clear that an overpayment was made to Joseph Laboucan, No. 24 Whitefish Lake Band. You are correct in stating that a gratuity is only payable to those who were members of the Band alive at the time of making treaty. Although it was thought that Mr. Conroy's instructions covered this point explicitly yet he read them to mean that the arrears of gratuity were due to all persons who presented themselves for payment for the first time, and under this interpretation of his instructions he made the payment in good faith. He has been requested to obtain a refund from Joseph Laboucan for the amount overpaid him. He will also obtain a refund for an overpayment made in the year 1901 to Antoine Laboucan, No. 23 Whitefish Lake Band. Evidently the note opposite this man's name that \$10.00 was deducted for annuity of one boy, two years old, is an error. Mr. Conroy will endeavor to obtain an explanation from Mr. Round who acted as clerk at these payments.

I am, sir, your obedient servant,

The Auditor General.

J. D. McLEAN, *Secretary.*

Overcharge by H. A. Conroy for Salary of H. B. Round.

AUDIT OFFICE, OTTAWA, November 4, 1902.

SIR,—The following payments to Mr. H. B. Round, clerk, are charged by Mr. H. A. Conroy in his account for expenses paying annuities in Treaty 8, in December, 1901 and January, 1902 :—December 9, 1901, on account of salary as clerk from November 27, \$75 ; January 27, 1902, in full of two months' wages as clerk, \$75. In addition to these payments there is a charge of \$12, in an account paid Garipey & Lessard, for an overcoat and cloth caps purchased for Mr. Round. The total amount earned by Mr. Round was \$150, being for two months' services at \$75 a month. The following is endorsed on the back of Mr. Round's last receipt :—

December 9, 1901	Cash as per receipt No. 4	\$75.00
	Supplies, Garipey & Lessard	12.00
June 27, 1902	Cheque for balance	63.00
		————\$150.00

From this it would appear that the second payment to Mr. Round was \$63, and not \$75, as entered in Mr. Conroy's account. There is thus an overpayment of \$12 to Mr. Conroy, which should be refunded by him at as early a date as possible.

I am, sir, your obedient servant,

The Secretary, Indian Affairs.

J. L. McDOUGALL, A.G.

DEPARTMENT OF INDIAN AFFAIRS, OTTAWA, November 11, 1902.

SIR,—With reference to your letter of the 4th instant, and more particularly to the last paragraph thereof, I beg to inform you that Mr. H. A. Conroy has refunded to the department the sum of \$12.00 overpaid him in connection with the settlement which he had with Mr. H. B. Round, who acted as his clerk while in Treaty 8, and it has been deposited to the credit of Casual Revenue with the Receiver General.

I am, sir, your obedient servant,

The Auditor General.

J. D. McLEAN, *Secretary*.**Government Officials should not supply goods to which they have themselves to certify.**

AUDIT OFFICE, OTTAWA, June 7, 1902.

SIR,—Indian Trust fund cheque No. 2297, is in favour of D. J. Lynch, for the amount of \$1.40 for relief supplies furnished to members of the Mississagua Band of the Credit. Cheque No. 2800, is also in favour of D. J. Lynch for the amount of \$10 for supplies furnished the same band. The endorsement on each of these cheques indicates that the person in whose favour the cheque is drawn is identical with the Indian agent who certifies that the goods have been supplied and that the prices are fair and just. It is rather anomalous that the same person should supply the goods and be paid therefor, and at the same time as an officer of the government certify that the goods have been supplied and the prices are fair and just. I think it would be well to avoid any transactions of this nature in the future.

I am, sir, your obedient servant,

The Secretary, Indian Affairs.

J. L. McDOUGALL, A.G.

DEPT. OF INDIAN AFFAIRS, OTTAWA, June 10, 1902.

SIR,—I beg to acknowledge the receipt of your letter of the 7th instant, in which you draw attention to the fact that the goods paid for by cheques Nos. 2297 and 2800 which articles were purchased for members of the Mississagua Band of the Credit, were

furnished by Mr. D. J. Lynch, who also certified to the accounts in his official capacity as Indian agent; and in reply I beg to say that the department observed at the time that the vouchers were paid that Mr Lynch had himself supplied the articles charged for, and he was then written to and told that the department would decline in future to pay for goods furnished by him to Indians of his agency.

Payment to Inspector of Works for half-interest in Compass.

AUDIT OFFICE, OTTAWA, May 26, 1902.

SIR,—Indian Trust Fund No. 1331, is for a payment of \$30, to Augustus Jamieson, who is employed as inspector of works for the Six Nations Indians, being one-half interest in compass. While this payment appears as stated to be for the purchase, or part purchase, of a compass from Mr. Jamieson, the account is not sufficiently definite. I should like to know when and by whom this compass was originally purchased, also the original cost of it; and in addition should like to be informed as to who holds the second half interest in the compass.

I am, sir, your obedient servant,

The Secretary, Indian Affairs.

J. L. McDUGALL, *A.G.*

DEPARTMENT OF INDIAN AFFAIRS, OTTAWA, May 28 1902.

SIR,—I beg to acknowledge the receipt of your letter of the 26th instant, making inquiry regarding the purchase of the compass therein referred to and the payment of \$30 to Mr. Augustus Jamieson for his interest in same; and in reply I beg to say that when forwarding the account to the Department for payment, Mr. Superintendent Cameron, of Brantford, reported as follows: viz:— ‘Mr. A. Jamieson, Inspector of Works on the Reserve purchased a compass from Mr. J. Fair, P.L.S., of this city. The Fence Viewers, who require a compass in the discharge of their duties obtained the loan of Mr. Jamieson's compass. The chiefs decided to pay Mr. Jamieson \$30, being half the price he paid Mr. Fair for the compass, in order that the Fence Viewers may have the use of it when required by them hereafter.’

I am, sir, your obedient servant,

The Auditor General.

Payments to Indian Agents for individual Indians should be supported by evidence that they have been expended on account of those Indians.

AUDIT OFFICE, OTTAWA, May 23, 1902.

SIR,—I find that during the present fiscal year, up to March 31., sixteen amounts, aggregating \$1,960, were advanced out of the moneys at the credit of the capital of the Six Nations Indians, as loans to members of that band. The cheques for these loans are all made out in favour of the agent, Mr. E. D. Cameron, and bear no other endorsement than his own. Kindly inform me why the cheques were not made out in favour of the individual Indians to whom the loans were made, instead of to the agent, and what evidence you have that these amounts were actually paid over to the Indians.

I am, sir, your obedient servant,

The Secretary, Indian Affairs.

J. L. McDUGALL, *A. G.*

DEPARTMENT OF INDIAN AFFAIRS, OTTAWA, May 28, 1902.

SIR,—In reply to the inquiries contained in your letter of the 23rd instant, I beg to inform you that the cheques issued by this Department covering loans made to Six Nations Indians from band funds were made payable to Mr. E. D. Cameron, Indian Superintendent, in order that he might be able to supervise the expenditure in each case, and satisfy himself that the money was laid out for the purpose for which it was intended. Mr. Cameron has forwarded vouchers covering twelve of the amounts loaned, and these vouchers will be sent to you under separate cover. The vouchers in connection with the other loans will be sent to you as soon as they are received from the Indian Superintendent.

I am, sir, your obedient servant,

The Auditor General.

Excess of Interest allowed the Wyandottes of Anderdon.

AUDIT OFFICE, OTTAWA, November, 10, 1902.

SIR,—On October 18, 1897, I wrote you directing your attention to the fact that the Wyandottes of Anderdon had been allowed too much interest on the funds at their credit, the excess arising from the diminution of capital, bearing 6 per cent interest, not having been taken into account. This error was rectified in the fiscal year 1897-8, but since then a similar error has crept in, due to the same cause. The balance at the credit of the capital funds of this band on July 1, 1897 was, \$8,110.44, on which 6 per cent interest was payable, while the amount at the credit of their current account only bore interest at the rate of 3 per cent. The balance at the credit of the capital funds has been reduced each year, until on July 1 last, it stood at \$3,773.20, but still each year they were given credit with six per cent interest on the full amount of \$8,110.44, that is, each year six per cent instead of three per cent was allowed on part of the funds at the credit of their current account. The accompanying statement shows the state of the accounts of this Band from July 1, 1898 to July 1, 1902, first, as has been allowed in error, and secondly, as it should stand. The result is that to July 1, 1902, they have been over-credited with \$91.13 interest, and the interest due for the current year is \$312.20, from which should be deducted the \$91.13 over allowed in previous years. Kindly have an adjustment of this account made at an early date.

I am, sir, your obedient servant,

The Secretary, Indian Affairs.

Re Rent of Rooms at Kamloops.

AUDIT OFFICE, OTTAWA, May 31, 1902.

SIR,—For some years past the Postmaster at Kamloops, B.C., has paid \$60 per annum for the use of two rooms in the Indian Department building.

During the fiscal year ended June 30, 1901, nothing came to account from this source. On July 30, 1901, \$20 was remitted to the Indian Agent at Victoria in payment of rent for the months of July, August, September and October, 1900. Nothing has since been paid.

According to the report of the Post Office Department, this Postmaster is allowed \$225 per annum for rent, fuel and light.

Your attention is requested.

I am sir, your obedient servant,

The Secretary, Dept. of Indian Affairs.

J. L. McDOUGALL, A.G.

DEPARTMENT OF INDIAN AFFAIRS, OTTAWA, July 15, 1902.

SIR,—With reference to your letter of the 31st May last, in which you draw attention to the fact that the last rental received from the Postmaster at Kamloops for the use of two rooms in the Indian Department building at that place was paid for July, August, September and October, 1900, I beg to inform you that inquiry has been made in the matter, and it has been ascertained that since the last of October, 1900, the rooms referred to have not been used for Post Office purposes 'as the building was removed and a new one built by the Public Works Department in its stead.' The quotation is from a letter from Mr. Superintendent Vowell, of Victoria, B.C.

Your obedient servant,

The Auditor General.

J. D. McLEAN, *Secretary*.

AUDIT OFFICE, OTTAWA, September 15, 1902.

SIR,—On the June 11 last, you made application for refund of \$25, to Miss Christina Gordon, the moiety of a fine imposed upon her and remitted by Order-in-Council of May 23, 1902. A cheque was issued on June 23, and charged to Fines and Forfeitures N.W.T.

I now find that application should have been made to the North-west Government for this refund, as the fine had been transmitted to the Interior Department in error, and was subsequently deducted from the amount due the Interior Department on that account.

Be good enough to obtain a cheque for this amount from the Treasurer of the North-west Government, to recoup Fines and Forfeitures N.W.T. Revenue.

I am, sir, your obedient servant,

The Secretary, Dept. of Indian Affairs.

Salary paid to two persons as Collector.

AUDIT OFFICE, OTTAWA, October 9, 1902.

SIR,—Your departmental cheque No. 67547 is for a payment of \$21.90 to Mr. H. A. Costigan for 'services as acting collector, Division of Ottawa, until relieved of duty, July 1 to 5, 1901.' I find also that Mr. A. Freeland was paid his salary as collector for the whole month of July. Why were two persons paid for performing the same service at the same time?

I am, sir, your obedient servant,

The Deputy Minister, Inland Rev. Department.

J. L. McDougall, A.G.

DEPT. OF INLAND REVENUE, OTTAWA, October 13, 1902.

SIR,—I beg to acknowledge the receipt of your communication of the 9th instant relative to a payment of \$21.90 to Mr. H. A. Costigan as acting collector, Division of Ottawa, until relieved of duty on July 5, 1901.

In reply thereto I beg to advise you that the Order in Council appointing Mr. A. Freeland as collector was received at the department on July 1 (holiday), and before the inspector could be advised and the necessary stock taken and transfer made relieving Mr. Costigan of the office, several days elapsed and the transfer of the official property from Mr. Costigan to Mr. Freeland was only made on July 5. Mr. Costigan was, therefore, justly entitled to his salary up to the date he was relieved, and as Mr. Freeland was, by Order in Council, appointed from July 1, and was ready to assume his duties on the 2nd of the same month, the department was of the opinion he was also entitled to his salary for the whole month of July.

I am, sir, your obedient servant,

The Auditor General.

W. J. GERALD, D.M., I.R.

Orders for Books, Stationery, &c., not given through Department of Printing.

AUDIT OFFICE, OTTAWA, October 20, 1902.

SIR,—I have had some correspondence with the King's Printer regarding the practice which prevails in several departments, of giving orders for books, maps, stationery and printing or similar work to outside firms, or canvassers, instead of ordering through the Department of Printing and Stationery as provided by the Act respecting that department. The amount so ordered by your department during the year 1901-2 and for which the accounts were subsequently sent to the King's Printer to be paid is \$30, made up as follows:—

John Lovell & Son	\$ 6
E. R. McNeill	24
	— \$30

In connection with this matter let me ask your attention to the inclosed copy of a letter addressed to me by the King's Printer. This method of ordering printing and stationery is manifestly in contravention of the Printing and Stationery Act, and should be discontinued. If the existing plan works so inconveniently that it ought to be changed, although I do not see that it can, the Minister of your department should move the Governor in Council to recommend an amendment to Parliament. In the meantime the provisions of the Act should be observed.

I am now asking the King's Printer to report at the end of each month any irregularities which he may find in the accounts of the month, so as to deal with them promptly, instead of waiting until the end of the year.

I am, sir, your obedient servant,

The Dy. Minister, Dept. of Inland Revenue.

Payments for Travel and Board made to a Temporary Officer.

AUDIT OFFICE, OTTAWA, October 13, 1902.

SIR,—The accounts of the Excise Division of Joliette for the year 1901-2 include payment to Mr. L. V. Labelle as temporary Excise officer from September 1, 1901 to April 7, 1902. Mr. Labelle's board in Montreal, for the same period and eight days in addition, amounting to \$224, was also paid, as well as his travelling expenses from St. Jacques to Montreal and from Montreal to Joliette.

What services connected with the Joliette Division did Mr. Labelle perform in Montreal, which would justify his being considered an officer of the former division and entitled to receive his living expenses during the time of his temporary employment in Montreal?

I am, sir, your obedient servant,

The Deputy Minister, Inland Revenue Dept.

J. L. McDUGALL, A.G.

DEPARTMENT OF INLAND REVENUE, OTTAWA, Nov. 10, 1902.

SIR,—I beg to acknowledge the receipt of your communication of the 13th ultimo, relative to the payment of the board of Mr. L. V. Labelle, temporary excise officer at Montreal, from September 1, 1901, to April 7, 1902.

In reply I beg to inform you that Mr. Labelle was appointed temporary exciseman at Joliette at \$500 per annum. He was subsequently removed for temporary duty to Montreal, and as in the case of all officers removed from one division to another temporarily, his actual expenses were borne by the department.

I am, sir, your obedient servant,

The Auditor General.

W. J. GERALD, D.M., I.R.

AUDIT OFFICE, OTTAWA, November 11, 1902.

SIR,—I beg to acknowledge the receipt of your letter of the 10th instant in explanation of the payments for travel and board made to Mr. L. V. Labelle while stationed at Montreal as a temporary exciseman. I cannot agree with your contention that Mr. Labelle belonged to the Joliette division in the sense that he was a temporary employee attached to the collector's office at Joliette during the time he was employed at Montreal. The ground recognized in the statute for temporary employment being a temporary pressure of work or other necessity of the service, it is plain that the employment of temporary assistance is authorized only where such necessity exists. Accordingly, it seems to me that Mr. Labelle was a temporary exciseman of the division in which he was employed, and there was no more obligation on the department to pay his board at Montreal than at Joliette.

If Mr. Labelle were employed at Montreal on temporary work in connection with the Joliette division, which could not be as efficiently performed by a temporary exciseman selected in the ordinary manner, then I think his board and reasonable travelling expenses might be paid during his absence from his headquarters, but the case has not been represented in this light.

The case under consideration is particularly striking from the fact that, as indicated by the accounts, not one day of Mr. Labelle's temporary service was occupied at Joliette. He went from St. Jacques to Montreal at the beginning of his employment, and from Montreal to Joliette eight days after its completion.

I am, sir, your obedient servant,

The Dy. Minister, Inland Revenue.

J. L. McDUGALL, A.G.

Moving expenses allowed to Officer on appointment.

AUDIT OFFICE, OTTAWA, October 13, 1902.

SIR,—Mr. L. V. Labelle was appointed collector of Inland Revenue at Joliette by Order in Council of April 8, 1902. In connection with his removal from St. Jacques, his place of residence, to Joliette, to assume his duties, I find the following payments:—

3 trips between St. Jacques and Joliette.....	\$ 4 50
7 loads of household goods from St. Jacques to Joliette...	12 25
Board of 3 persons for one week in Joliette	21 00

\$37 75

Why were these expenses paid in Mr. Labelle's case? As a general rule a person, on appointment to a position in the civil service, is not entitled to be repaid the expense of moving to the scene of his duties.

I am, sir, your obedient service,

The Deputy Minister, Inland Revenue Dept.

J. L. McDUGALL, A.G.

DEPARTMENT OF INLAND REVENUE, OTTAWA, Nov. 10, 1902.

SIR,—I beg to acknowledge the receipt of your communication of the 13th ultimo relative to an expenditure of \$37.75 for removal expenses of Collector L. V. Labelle from St. Jacques to Joliette.

Mr. Labelle was from September 1, 1901, up to the time of his appointment as collector in April, 1902, in the temporary employ of the department. In examining this expenditure, the chief accountant, due to the fact above mentioned, dealt with it as an ordinary removal from one point to another. The account should not have been paid, and if you deem it proper I will make a request that this sum be refunded.

I am, sir, your obedient servant,

The Auditor General.

W. J. GERALD, D.M., I.R.

SESSIONAL PAPER No. 1

AUDIT OFFICE, OTTAWA, Nov. 11, 1902.

SIR,—In reply to your letter of the 10th instant, regarding removal expenses allowed Mr. L. V. Labelle, I beg to say that it is clearly proper to request the return of the amount improperly paid. Please have the refund made at an early date.

I am, sir, your obedient servant,

The Deputy Minister, Inland Revenue.

J. L. McDOUGAL, A.G.

AUDIT OFFICE, OTTAWA, November 5, 1902.

SIR,—Among the accounts for expenditure *re* Adulteration of Food, for the month of May last, is one for Miss E. Davidson's travelling expenses from Quebec to Ottawa. Apparently this trip was for the purpose of entering upon service in the departmental Laboratory as a temporary employee. I beg, therefore, to be informed of the reason for repaying to Miss Davidson the expenses of moving to Ottawa.

I am, sir, your obedient servant,

The Deputy Minister, Inland Revenue Dept.

J. L. McDOUGALL, A.G.

DEPARTMENT OF INLAND REVENUE, OTTAWA, November 10, 1902.

SIR,—I beg to acknowledge the receipt of your communication of the 5th inst., relative to the payment of the expenses of removal of Miss E. Davidson from Quebec to Montreal.

In reply thereto I beg to advise you that Miss Davidson was employed in the laboratory of the Adulteration of Food branch prior to her removal to Quebec: that her transfer to Quebec was in the public interest and that when she was recalled to assume her duties at the laboratory the cost of her removal was borne by the department.

I am, sir, your obedient servant,

The Auditor General.

W. J. GERALD, D.M., I.R.

AUDIT OFFICE, OTTAWA, November 11, 1902.

SIR,—I have your letter of the 10th instant regarding the payment of Miss E. Davidson's removal expenses from Quebec to Ottawa.

For reasons similar to those given in my letter of this date regarding the case of Mr. Labelle, I consider that Miss Davidson was not entitled to payment of travelling expenses when recalled to the laboratory here. I do not find that she was in the employ of the Inland Revenue Department at Quebec.

I am, sir, your obedient servant,

The Deputy Minister, Inland Revenue.

J. L. McDOUGALL, A.G.

'Personal Expenses' not given in detail.

AUDIT OFFICE, OTTAWA, October 11, 1902.

SIR,—Let me direct your attention to the inclosed account of Excise Officer R. S. R. Wardell, paid by cheque No. 67814 of 1901-2. The account may be summarized as follows:—

Transportation, Dundas to Windsor and return.....	\$ 19 00
Board in Windsor, 21 days to Aug. 24, 1901.....	31 50
Personal expenses, 4th to 24th Aug., 1901, 21 days at 50c..	10 50

\$ 61 00

I have to ask for an explanation of the third item. What were the 'personal expenses' in addition to board, for which Mr. Wardell was entitled to receive payment? The details of these expenses are required.

I am, sir, your obedient servant,

The Deputy Minister, Inland Revenue Dept. J. L. McDOUGALL, A.G.

Travelling expenses : incomplete vouchers, items requiring explanation.

AUDIT OFFICE, OTTAWA, November 5, 1902.

SIR,—In the accounts of Excise expenditure for the year 1901-2, Division of Vancouver, there are charges by W. E. Hodder, deputy collector at Kaslo, for 16 trips from that place to Sandon at \$5.10, no items of expenditure being given. Details of all outlay are required.

I am, sir, your obedient servant,

The Deputy Minister, Inland Revenue Dept. J. L. McDOUGALL, A.G.

DEPARTMENT OF INLAND REVENUE, OTTAWA, November 10, 1902.

SIR,—I beg to acknowledge the receipt of your communication of the 5th inst., relative to want of details in the account of Deputy Collector W. E. Hodder, of Kaslo, B.C.

The account should not have been passed in its present condition. I have written for details which I will send you as soon as received.

I am, sir, your obedient servant,

The Auditor General. W. J. GERALD, D.M., I.R.

AUDIT OFFICE, OTTAWA, November 5, 1902.

SIR,—I find from the accounts of 1901-2 that the inspector for the District of British Columbia and the collector at Victoria each made several trips to Nanaimo for which they charged single fares both ways. Are your officials not expected to procure return tickets whenever this is practicable?

I am, sir, your obedient servant,

The Deputy Minister, Inland Revenue Dept. J. L. McDOUGALL, A.G.

DEPARTMENT OF INLAND REVENUE, OTTAWA, November 10th, 1902.

SIR,—I beg to acknowledge the receipt of your communication of the 5th inst., calling my attention to the fact that the District Inspector of British Columbia and the Collector at Victoria each made several trips to Nanaimo for which they charged single fares both ways, and asking if the officials of this department are not expected to procure return tickets whenever this is practicable.

In reply thereto I beg to state that the officials are expected to procure return tickets where practicable, but the charge may be due to the fact that return tickets are not issued by all railroads. I will inquire into the matter.

I am, sir, your obedient servant,

The Auditor General. W. J. GERALD, D.M., I.R.

SESSIONAL PAPER No. 1

AUDIT OFFICE OTTAWA, November 11, 1902.

SIR,—In connection with the charging by your officials of single fares of \$3.30 each way, between Victoria and Nanaimo, I notice that a Mr. J. G. Brown, who went to Nanaimo in connection with the placing of a safe in the office there, charged \$5.95 as his return fare from Victoria.

I am, sir, your obedient servant,

The Deputy Minister, Inland Revenue Dept.

J. L. McDOUGALL, A.G.

AUDIT OFFICE, OTTAWA, November 5, 1902.

SIR,—The accounts submitted by the collector of Inland Revenue at Quebec for the year 1901-2 show that the officials of that division generally charged a uniform rate of \$1.50 a day for living expenses when travelling.

The collector at Winnipeg and the acting collector at Calgary entered a lump sum for the 'personal expenses' of each trip.

In this connection I would call your attention to the Order in Council of February 6, 1893, directing that only actual reasonable travelling and living expenses, as shown by account rendered, may be paid. To show that the provisions of this order are complied with in each case, the expenditure should be given in detail and the various items definitely described.

I am, sir, your obedient servant,

The Deputy Minister, Inland Revenue Dept.

J. L. McDOUGALL, A.G.

DEPARTMENT OF INLAND REVENUE, OTTAWA, November 10, 1902.

SIR,—I beg to acknowledge the receipt of your communication of the 5th instant, relative to the accounts submitted by the Collector of Inland Revenue at Quebec, showing that the officials of that division generally charged a uniform rate of \$1.50 a day for living expenses, and that the collectors at Winnipeg and Calgary enter a lump sum for the personal expenses of each trip.

If I mistake not, the accounts of these officials give the details of the expenses incurred, as required by the Order in Council of February 6, 1893. These accounts show railway fares, cab hire, car fares, &c., and I can scarcely think that when the amount of personal expenses is a reasonable one, the order referred to calls for details as to the fees paid the waiter, the porter, the chambermaid, the bootblack, &c.

These officials have declared that the whole of the expenditure was incurred on Government business, as required by the Order in Council, and I do not think, when the daily charge is reasonable, that the Order in Council requires these details or that a department should be called upon to doubt the integrity of its officials by asking for details that would not be required by any commercial house of one of its ordinary travellers.

I am, sir, your obedient servant,

The Auditor General.

W. J. GERALD, D.M., I.R.

AUDIT OFFICE, OTTAWA, November 11, 1902.

SIR,—I am in receipt of your letter of the 10th instant regarding living expenses.

I do not see the force of your argument that the requirements of the Order in Council of February 6, 1893, are complied with by giving details of moving expenses, but not of living expenses. The order provides for payment of 'actual, reasonable travelling and living expenses' and for the rendering of 'a detailed statement of such expenses,' that is, evidently, of both classes of outlay.

The demanding of details can no more be considered as implying a doubt of the integrity of the official than the requirement that any account at all be rendered in addition to a statement that a certain sum was expended on a specified trip.

I am, sir, your obedient servant,

The Deputy Minister of Inland Revenue.

J. L. McDOUGALL, A.G.

Charges by Bank for 'exchange on Government Cheques.'

AUDIT OFFICE, OTTAWA, November 5, 1902.

SIR,—The accounts of the collector of Inland Revenue at Vancouver for the year 1901-2 include payments to the Canadian Bank of Commerce amounting in all to \$17.56. The vouchers read: 'exchange on Government cheques' or 'exchange on cheques on outside points.'

Are these charges made by the bank for cashing cheques drawn by Government officials? If so, a refund of the amount should be obtained.

I am, sir, your obedient servant,

The Deputy Minister, Inland Revenue Dept.

J. L. McDOUGALL, A.G.

Petty Expenditure not given in detail.

AUDIT OFFICE, OTTAWA, November 12, 1902.

SIR,—The accounts of Mr. J. K. Barrett, District Inspector for Manitoba, for the past fiscal year, contain charges under the head of 'small petty expenses,' amounting in all to \$15.96. No details of this outlay are supplied. Please ask Mr. Barrett to furnish a statement of the items making up this amount, and for the current year to give details of all expenditure made by him.

I am, sir, your obedient servant,

The Deputy Minister of Inland Revenue.

SESSIONAL PAPER No. 1

Re Weights and Measures Revenue : Damaged Stamps Destroyed.

AUDIT OFFICE, OTTAWA, February 10, 1902.

SIR,—In the statement of weights and measures stamp account for January credit is taken for 7,150 damaged stamps destroyed, of the face value of \$972.50 ; but no explanations or vouchers of any kind are furnished.

When this question was discussed last year, I suggested that if it were necessary to again destroy stamps, I should be notified so that I might send a clerk to be present, as is the practice when stamps are destroyed in the Post Office Department. I shall be glad to know if this will be done in future.

In the meantime please give the reasons for destroying these stamps, furnish a statement of the numbers and denominations of the stamps, and the certificate of the officer who destroyed them.

I am, sir, your obedient servant,

The Secretary, Inland Revenue Dept.

J. L. McDOUGALL, A.G.

DEPT. OF INLAND REVENUE, OTTAWA, November 10, 1902.

SIR,—I beg to acknowledge the receipt of your further communication of the 5th instant, relative to the destruction of damaged weights and measures stamps.

In reply thereto I beg to advise you that stamps that, from any cause, become damaged and unfit for use are destroyed in the presence of the stamp clerk and the secretary of the department. I am quite prepared to furnish a certificate whenever stamps are destroyed, but I cannot believe that you desire me to understand that the integrity and trustworthiness of the secretary and stamp clerk of this department are not equal to that of a clerk from your office.

I am, sir, your obedient servant,

The Auditor General.

W. J. GERALD, D.M., I.R.

AUDIT OFFICE, OTTAWA, November 11, 1902.

SIR,—I beg to acknowledge the receipt of your letter of yesterday in reply to mine about the destruction of damaged weights and measures stamps.

Nothing is further from my mind than to impute any want of integrity or trustworthiness to the secretary and stamp clerk of your department.

If your department is acting regularly in this connection, as I am quite sure it is, it is in your interest to show the fullest proofs of it which can be obtained without marked inconvenience or expense.

This office is here for the purpose of doing, among other things, the work which is now being discussed.

Then in desiring that some one should be present from this office when the stamps are being checked off and destroyed in your department, the practice is being followed which has existed in the Post Office Department.

It would manifestly be invidious to apply under similar circumstances such a rule to one department and not to another.

I am, sir, your obedient servant,

The Deputy Minister, Inland Revenue Dept.

J. L. McDOUGALL, A.G.

Re Inspectors' Returns.

AUDIT OFFICE, OTTAWA, March 24, 1902.

SIR,—Your inspectors' returns of warehousing transactions are furnished to this office.

The inspectors no doubt furnish statements covering the cash account and I have to ask that they also be sent to this office.

I am, sir, your obedient servant,

The Deputy Minister, Inland Revenue.

J. L. McDOUGALL, A.G.

DEPT. OF INLAND REVENUE, OTTAWA, November 10, 1902.

SIR,—I beg to acknowledge the receipt of your further communication of the 5th instant, requesting to be furnished with inspector's statements covering the cash account of collectors of inland revenue.

The statement which I assume you require is already furnished you (Collectors Monthly Statement G. 2).

A copy of this statement is forwarded, by the Inspector, to the department with the return of warehousing transactions and fully enables the department to check the transactions of the Collector up to the time the inspection is made.

I am, sir, your obedient servant,

The Auditor General

W. J. GERALD, D.M., I.R.

Re Refund of Duty on Malt Liquor Used by H. M. Army and Navy,

AUDIT OFFICE, OTTAWA, March 25, 1902.

SIR,—In my letter of February 13, 1900, I called your attention to the fact that, as a refund was allowed of 5 per cent. on the duty paid on all malt used during the year, only 95 per cent of the duty paid on malt liquor used by the Army and Navy should be refunded and that the difference should be computed and deducted from future payments.

In your rep'y dated April 2, 1900, you stated that the suggestion would receive consideration.

The accounts for the past fiscal year show that refunds are still made in the same manner.

I shall be glad to know what action has been taken in reference thereto.

I am, sir, your obedient servant,

The Deputy Minister, Inland Revenue.

J. L. McDOUGALL, A.G.

DEPT. OF INLAND REVENUE, OTTAWA, November 10, 1902.

SIR,—I beg to acknowledge the receipt of your further letter of the 5th instant, relative to refunds of duty paid on malt used in the manufacture of beer consumed by H.M. Army and Navy and claiming in connection therewith that only 95% of the duty paid should be allowed from the fact that a refund of 5% of the duty paid on malt entered for consumption is refunded the maltster or brewer.

The department is of the opinion that the claim should be paid in full and I will endeavour to point out the reasons therefor. Prior to August 1, 1888, a deduction of $2\frac{1}{2}\%$ was made from all malt charged with duty as compensation for coomings and prior to July 1, 1891, all increases in weight caused by absorption of moisture from the atmosphere were allowed the maltster.

SESSIONAL PAPER No. 1

From July 1, 1891, all malt was charged with duty at the actual weight (including coomings), and increases caused by absorption were charged up against the maltster or brewer and duty has since been collected on both coomings and increases as above. As compensation for duty paid on coomings and increases by absorption, a refund of 5% has since been paid on all malt entered ex-warehouse for consumption.

This being the case the department is of the opinion that the maltster or brewer, even in connection with malt used in beer exported or used by H.M. Army and Navy, has paid the full duty on all malt used in the production of such beer and is entitled to the full refund, not 95% thereof. This 5% refund is only an equivalent to the duty collected on coomings and increases due to absorption and should not reduce the amount of the refund to which the maltster or brewer is entitled.

I am, sir, your obedient servant,

The Auditor General.

W. J. GERALD, *D.M.I.R.D.*

Re Closing of Accounts, 1901-2.

AUDIT OFFICE, OTTAWA, June 20, 1902.

SIR,—As the end of the fiscal year is approaching, I take the liberty of again asking you to consider the advisability of having all deposits made in acquittance of June revenue carried to the accounts of 1901-2, even if not deposited till July. The practice of your department is to charge to the previous year all cheques appertaining thereto, including those issued in July. Why not treat the revenue in the same manner?

The advantage of adopting the suggested procedure, would be that the collectors accounts would show no balances against them in the published statements, unless they were actually in arrears.

I may add that your department is the only one that has not adopted this practice.

I am, sir, your obedient servant,

The Deputy Minister, Inland Revenue Dept.

J. L. McDOUGALL, *A.G.*

INLAND REVENUE DEPT., OTTAWA, June 27, 1902.

SIR,—I beg to acknowledge the receipt of your communication of the 20th inst. suggesting that all deposits made in acquittance of June revenue be carried to the accounts of 1901-2, even if not deposited till July.

The department fully concurs with your suggestion and future transactions (including current fiscal year) will be so dealt with.

I remain, sir, your obedient servant,

The Auditor General.

W. J. GERALD, *Deputy Minister.*

Payment for Stenographer by Mr. Preston not Supported by Proper Voucher.

AUDIT OFFICE, OTTAWA, February 10, 1902.

SIR,—Cheque No. 19,042, issued by the High Commissioner at London on November 4 last, on account of immigration, is in favour of Wm. Preston for wages of typewriter for one week. There is no account in support of this payment to indicate by whom the services were rendered, and no evidence that the person rendering the services received the money, the only voucher being a receipt signed by Mr. Preston for services of typewriter. Kindly obtain an account rendered by the person performing these services and properly receipted by that person.

I am, sir, your obedient servant,

The Secretary of the Interior Department.

J. L. McDOUGALL, A.G.

Payment of Living Allowance of \$10 a Day to J. A. Smart and W. J. White.

AUDIT OFFICE, OTTAWA, April 8, 1902.

SIR,—I am in receipt of an Order in Council of the 1st instant granting an allowance of \$10.00 a day for living expenses to yourself and Mr. W. J. White while absent in Europe on immigration business. In view of the objections to these special allowances which I have already made in the cases of Mr. Courtney, Mr. Newcombe and others, which are in my last report and which have been the subject of much criticism in the press, I have to request that you do not carry out the terms of this order through your letter of credit, but that you apply to this office for a Receiver-General's cheque for the amount payable under the terms of this order, so that the matter may be submitted to the Treasury Board. I am in hopes that, on account of the pointed way in which I brought forward my objections to all such allowances in the preface of my last report, the matter of allowances will be discussed in the Public Accounts Committee and some standing regulation adopted.

I am, sir, your obedient servant,

The Deputy Minister of the Interior.

J. L. McDOUGALL, A.G.

SESSIONAL PAPER No. 1

DEPT. OF THE INTERIOR, OTTAWA, May 14, 1902.

SIR,—Referring to your letter of some time ago with regard to my expenses to the Old Country, and my reply there thereto, I beg to say that I have expected to hear further from you on the subject, but as no reply has been received I have rendered my account.

I am, sir, your obedient servant,

The Auditor General.

JAS. A. SMART, *D.M.I.*

AUDIT OFFICE, OTTAWA, May 17, 1902.

SIR,—I am in receipt of your letter of the 14th instant with reference to your travelling expenses in the Old Country. I take it for granted that you will send your account direct to this office with an application for a cheque for the amount payable to you under the terms of the Order in Council referred to in our previous correspondence, as requested by me in my letter to you of April 8.

I am, sir, your obedient servant,

The Deputy Minister of the Interior.

J. L. McDOUGALL, *A.G.*

DEPARTMENT OF THE INTERIOR, OTTAWA, May 22, 1902.

SIR,—Your letter of the 17th instant, in reply to mine of the 14th, was only shown to me last evening, it having by some mistake been sent to the Immigration Office and consequently was not brought to my attention at all. Not hearing further from you with regard to your letter of April 8, or in answer to mine of the 14th instant, I assumed that the matter was allowed to go in the regular course and only yesterday closed up the account. I presume, therefore, that the account which I have rendered will reach you in due course.

I am, sir, your obedient servant,

The Auditor General.

JAS. A. SMART, *D.M.I.*

AUDIT OFFICE, OTTAWA, May 30, 1902.

SIR,—I am in receipt of your letter of the 22nd instant with regard to your travelling expenses, and stating that you have closed the accounts. I have now to request that, knowing my objections to the carrying out of the Order in Council granting you the allowance of \$10.00 a day, you will at once write to the Treasury Board pointing out my objections and asking for an over-ruling of my decision. This will avoid the unpleasantness of my objecting to the payment of your salary. In the meantime, the payments under the Order in Council may be regarded as an advance. By writing at once the matter may be taken up and decided before the majority of the members of the Board leave the city.

I am, sir, your obedient servant,

The Deputy Minister of the Interior.

J. L. McDOUGALL, *A.G.*

DEPARTMENT OF THE INTERIOR, OTTAWA, June 4, 1902.

DEAR SIR,—I have your letter of the 30th ultimo, and in reply beg to say that I have no objection to forwarding to the Treasury Board any objections you may like to make to my account for travelling expenses, or to the allowance which the Government has seen fit to make me for expenses in connection with my visit to the Old Country. I think, however, that it would probably be better for me to have something more to refer to the Board than you suggest in connection with the cases of Mr. Newcombe, Mr. Courtney and others. While I am not very deeply concerned with regard to your

threat to withhold payment of my salary, except for the inconvenience that such action might cause me, yet I feel that I cannot allow the offensiveness of the suggestion to pass unnoticed, as you must be aware that such a course would be quite unnecessary in my case. I have certainly shown no disinclination to submit this matter to the Treasury Board, although it would appear to be rather absurd to do so in view of the fact that the Board has already passed upon it once.

I am, sir, your obedient servant,

The Auditor General.

Payment in advance of salary of W. L. Griffith, Immigration Office.

AUDIT OFFICE, OTTAWA, February 3, 1902.

SIR,—I find in the statement of expenditure made at London, on account of immigration by the High Commissioner, during the month of August last, that Mr. W. L. Griffith, immigration agent at Cardiff, Wales, was paid the amount of £61 12s. 10d. on August 20, being his salary for the months of August and September. I have to ask why Mr. Griffith's September salary was paid in the month of August, and also why his August salary was paid eleven days before it was actually due, it not being due until the 31st of the month.

I am, sir, your obedient servant,

The Secretary, Interior Department.

J. L. McDOUGALL, *A.G.*

17 VICTORIA STREET, LONDON, S.W., March 6, 1902.

SIR,—I am directed to acknowledge your letter of the 13th ulto (file No. 160726 Im.) enclosing a communication from the Auditor General requiring an explanation as to why the salary of W. L. Griffith, agent of the department in Wales, was paid in advance for the months of August and September, 1901. Mr. Griffith at the period referred to was leaving on a mission to the Welsh colony in Patagonia, and made a request to the High Commissioner to advance his salary for that reason. In the circumstances, as Mr. Griffith's absence was likely to prove protracted, Lord Strathcona gave instructions for the request to be complied with.

I am, sir, your obedient servant,

The Secretary, Department of the Interior.

Expenses of Prof. Mavor, on Immigration Business.

AUDIT OFFICE, OTTAWA, March 24, 1902.

SIR,—In the statement rendered by Professor Mavor, for the expenses of his trip to Europe, in the summer of 1899 on immigration business, I find a charge of \$50 paid to S. M. Wickett, of Toronto, for reading examination papers in the months of May and October, 1899. As Prof. Mavor was paid by your department for his whole services between May 6 and September 25, and as the reading of these examination papers is a part of his duties as professor in the University of Toronto, with which you have no concern, this item should have been paid by him and not refunded to him by your department. I would also ask why Prof. Mavor has been paid for the full number of days between May 6 and September 25, as I find that he charges only a portion of his expenses between May 23 and June 16, the balance being paid partly by the Ontario government and partly by himself; and again, I find that he charges only part of his expenses between September 1 and 20. The inference is that, between the dates mentioned, he was for part of the time engaged on business for the Ontario government and part of the time attending to his own private business. I would also like to know,

SESSIONAL PAPER No. 1

approximately, the length of the report presented by Prof. Mavor. Prof. Mavor should also indicate to whom the amount of \$50 for typewriting the report was paid.

I am, sir, your obedient servant,

The Deputy Minister of the Interior.

J. L. McDOUGALL, *A.G.*

DEPARTMENT OF THE INTERIOR, OTTAWA, May 5, 1902.

SIR,—I beg to acknowledge the receipt of your letter of March 24, referring to certain payments made to Professor Mavor, in connection with his trip to Europe in the summer of 1899, on immigration business. The payment of \$50 to S. M. Wickett, of Toronto, for reading examination papers in the months of May and October, 1899, was made in conformity with the arrangement made by the department with Professor Mavor. It was thought advisable at that time for the department to send a competent person to the countries visited by Professor Mavor, to obtain information with regard to the question of emigration to Canada. Professor Mavor, having, from his position, an entrée to educational institutions, was asked to undertake the mission, and the examination at the university necessitated his providing a substitute to read the examination papers during his absence, consequently the department felt it would be only reasonable to pay the \$50 for the substitute. In regard to the payment of \$50 for typewriting report, Professor Mavor charged what he considered was a fair proportion of the time of the typewriters whom he employed on general work and whose services he had to divert from time to time to the work of the department. There were two reports furnished to the department. I presume these reports would have to be written and re-written after correction, so that the length of the reports is no criterion as to the amount paid in that connection. I may say, however, that the reports are very lengthy. Report No. 1 is embodied in the annual report of the department of the Interior for 1899, and covers 34 pages. Report No. 2 contains 17 pages of closely written typewritten matter. I would say in reference to your query as to the payment for services for the full number of days between May 6 and September 26, that according to the records of the department, Professor Mavor appears to have spent altogether 144 days on the business of the department.

I am, sir, your obedient servant,

The Auditor General.

Charges for Accident Assurance should not be allowed.

AUDIT OFFICE, OTTAWA, December 13, 1902.

SIR,—In the expense account of J. M. McGovern, Immigration Agent at Port Arthur, for the month of August, there appears a charge of \$6.00 for railway accident insurance tickets. In the absence of special authority for charges of this nature I am obliged to disallow such items. I have, accordingly, to ask that a refund of this amount be obtained from Mr. McGovern.

I am, sir, your obedient servant,

The Deputy Minister of the Interior.

AUDIT OFFICE, OTTAWA, December 17, 1902.

September 18, to September 21, to team hire, personal expenses and salary, 4 days.....	\$40 00
September 27, to October 1, to team hire, personal expenses and salary, 5 days.....	50 00

Payment of Compensation for Baggage lost at Winnipeg.

AUDIT OFFICE, OTTAWA, September 6, 1902.

SIR,—Cheque 2144, issued by J. Obed Smith and Alex. Moffatt on account of immigration, covers a payment of \$50 to Mr. J. B. McC. Carne for compensation for dress suit, portmanteau, underclothing, books, music, brushes, toilet powders &c., lost from the immigration baggage room at Winnipeg. The declaration attached to the vouchers explains that the portmanteau and contents were taken from the Canadian Pacific railway baggage room by one of the officers of your department and stored in the government baggage room and that Mr. Carne was assured that the goods would be properly cared for. The regulations posted in all immigration sheds provide that 'the agent will use every precaution in his power to protect the property of immigrants while remaining at the agency, but will assume no responsibility for loss or injury to baggage while stored in the baggage room. Baggage will not be allowed to remain after the owner leaves the premises.' I cannot see that any claim should be made upon the government in this case as the officer took the baggage and stored it contrary to regulations and entirely on his own responsibility and the loss is due to his negligence. Any compensation should apparently be paid by him or if settled by the government, should be deducted from his salary.

I am, sir, your obedient servant,

The Deputy Minister of Interior.

J. L. McDOUGALL, A.G.

EXTRACT from a letter addressed to the Secretary, Department of the Interior, Ottawa, Ont., dated August 20, 1902, from J. Obed Smith, Commissioner of Immigration, Winnipeg, Man.

'With reference to cheque 2144, I beg to explain that the young man in question was a particular friend and came out under the auspices of Mr. Watney Cohen, who, the Superintendent will remember, visited Canada last year, and as the young man was in such a condition while in the office here as to require his immediate removal to the hospital, it appeared to me only a matter of common humanity that he should be sent there for treatment at once, and that the department should take charge of his personal effects and baggage. This was done, as has been done in hundreds of cases, but, unfortunately, when the baggage room was searched for one of his trunks it could not be found. I do not think the room has been broken in, but it is possible in the rush of immigration that some person has got the wrong trunk and as there was no system of checking by baggage check it could not be traced in any way. Since that occurrence I have inaugurated a system of baggage checking, and had it expressly stipulated on the duplicate baggage check that the government accept no responsibility whatever for loss from any cause. There is no question that the department assumed control of the property in question, and in view of the circumstances I think we were justified in doing so, so that the question in my opinion resolved itself into the consideration as to whether

SESSIONAL PAPER No. 1

the department is fairly liable for compensation for this loss. With much respect to the opinion expressed in your communication I am still of the opinion that the department was liable and made a very good settlement of this matter, and I have taken the opportunity of submitting a parallel case to the Baggage Claims Agent of the Canadian Pacific Railway Company and his reply to me is that under the circumstances related the claim would be entertained by his company. I will, however, as desired, get into communication as soon as possible with the young man who received the money, and ask him for a refund of the same, notwithstanding the certainty that there will be grievous outcries from him and his friends in the old country.'

Purchase of outfit for W. W. Cory, Inspector of Yukon Offices.

AUDIT OFFICE, OTTAWA, May 12, 1902.

SIR,—Yukon cheque No. 5, issued by your department on July 12 last, is for the payment of \$70.75 to Geo. May & Sons, Ottawa, for the following articles furnished Mr. W. W. Cory, Inspector of the Yukon Territory:

1 only leather portmanteau.....	\$25 50
1 " fitted bag.....	31 50
1 " leather pocket-book.....	3 75
1 " " secretary bag.....	8 50
Lettering above.....	1 50

Total..... \$70 75

Please give the justification for the purchase of this class of goods and at these prices in this case. If these articles purchased from Geo. May & Sons were considered absolutely necessary for Mr. Cory's travelling outfit, why might they not have been obtained through the Stationery Office instead of from the dealers direct at necessarily higher prices.

I am, sir, your obedient servant,

The Deputy Minister of the Interior.

J. L. McDOUGALL, A.G.

DEPARTMENT OF THE INTERIOR, OTTAWA, May 29, 1902.

SIR,—I beg to acknowledge the receipt of your letter of the 12th instant, referring to a payment of \$70.75 made to Geo. May & Sons for articles furnished to Mr. Cory, Inspector of the Yukon Territory, and in answer to your queries, I may say that the class of goods supplied were considered absolutely necessary for travelling in the interior of the Yukon Territory. They were purchased direct from the dealers because the Stationery Office did not carry in stock the class of goods required, and as Mr. Cory was leaving Ottawa so soon it was thought advisable, in order not to cause delay, to procure the articles in the manner mentioned. The goods would have cost just the same if ordered through the Stationery Office.

I am, Sir, your obedient servant,

The Auditor General.

Remarks on travelling expenses of W. W. Cory, Inspector of Yukon Offices.

AUDIT OFFICE, OTTAWA, May 12, 1902.

SIR,—I beg to call your attention to the following remarks on the account rendered by Mr. W. W. Cory for his expenses of inspection in the Yukon Territory during the summer of 1901.

(1.) Mr. Cory appears to have purchased railway tickets, first from Ottawa to Winnipeg, then from Winnipeg to Victoria, stopping at Winnipeg for about two days

In returning he also purchased separate tickets, first from Vancouver to Winnipeg, then from Winnipeg to Ottawa, again stopping in Winnipeg for about two days. The total amount paid for tickets purchased in this way was \$173.65. I have to ask why Mr. Cory did not purchase a return ticket, which could have been obtained for \$131.60, making a saving of \$42.05. These tickets are good for return for nine months and carry with them the privilege of stopping over at Winnipeg as well as at other points in the North-west.

(2.) The Order in Council of July 1, 1901, appointing Mr. Cory as inspector states that he shall receive actual living expenses when absent from Ottawa. I find, however, that he has charged at the rate of \$200.00 a month from the time he reached Skagway on his way to Dawson until the time he again reached Skagway on his way out, a period of some two months and eight days. Mr. Cory should be called upon to give a detailed statement of his actual living expenses during the period.

(3.) I find a charge of \$35.00, premium on accident insurance. In the absence of any regulation authorizing charges of this nature, I have no authority to allow them to appear in the accounts and have therefore to call upon Mr. Cory for a refund of this amount.

(4.) Mr. Cory furnishes no sub-vouchers whatever in support of his charges. Such vouchers should be furnished by him for all payments exceeding, say, ten dollars, except for payments for railway tickets, pullmans, and of a like nature.

I am, sir, your obedient servant,

The Deputy Minister of the Interior.

J. L. McDOUGALL, A.G.

DEPARTMENT OF THE INTERIOR, OTTAWA, May 19, 1902.

SIR,—I am in receipt of your letter of the 12th instant calling attention to matters in connection with the account of Mr. W. W. Cory, Inspector of Yukon offices, in regard to his travelling expenses during the summer of 1901. In reply I beg to say that I find Mr. Cory purchased tickets, as you state, from Ottawa to Winnipeg and then from Winnipeg to Victoria. In connection with this matter he tells me that he went to the agent here and purchased these tickets after being advised by the C.P.R. agent that it made no difference whatever in the cost of the tickets, otherwise, of course, he would have bought his ticket through. He was not aware nor was he told that there was any arrangement by which he could purchase a return ticket good for nine months and consequently did not take advantage of it. He will in the future, however, be more particular with respect to a matter of this kind, but you can well understand that Mr. Cory is hardly blameable for not knowing the various classes of tickets which could be purchased, and although perhaps he should have made more definite inquiry on this point yet I feel it would be very unfair to make him responsible for the difference in the cost. With respect to the allowance of \$200 per month I may say that this, as you will observe, is only during the time he was in the Yukon Territory, that is, from the time he was at Skagway going into the Territory until he reached Skagway on his way out, and this amount was determined upon by the Minister and myself, in consultation with Mr. Cory. I think in view of the fact that the regular living allowance of officials in the Yukon is \$150 per month that \$200 was not excessive for Mr. Cory, especially as he did not remain in any one place any great length of time, except perhaps in Dawson, and then of course he would be under much greater expense than an ordinary official. You will note with reference to all the other expenses that he charges the actual amounts disbursed. The charge for accident insurance is certainly a very reasonable one in view of all the circumstances, and has been allowed by this department for a number of years. It cannot but be considered reasonable in view of the dangers to which persons travelling as Mr. Cory is obliged to do are exposed, and I therefore do not agree with your contention in this regard. I may add further in this connection that Mr. Cory advises me that by reason of the fact that he is obliged to spend so much time travelling to the Yukon, and owing to the risk being so much greater in his ordi-

SESSIONAL PAPER No. 1

nary insurance policies, he is compelled to pay his company \$5 per \$1,000 per year additional in premiums, and this amount, of course, he pays out of his own pocket. He advises me that he did not take any vouchers in support of the other charges in his account, but he states most positively that the items charged represent the amount paid in each instance, and he is prepared to substantiate this in any way that may be desired. I trust these explanations will be satisfactory to you.

I am, sir, your obedient servant,

The Auditor General.

AUDIT OFFICE, OTTAWA, May 26, 1902.

SIR,—I am in receipt of your letter of the 19th inst., with reference to the traveling expenses of Mr. W. W. Cory, inspector of Yukon offices. With regard to the living allowance of \$200 a month which has been paid to Mr. Cory, I would point out that, as the Order in Council appointing Mr. Cory stated that he was to receive actual living expenses when absent from Ottawa on official business, if it is desired to pay him a living allowance when in the Yukon, an Order in Council to that effect amending the previous Order in Council, should be obtained. I would also point out that Mr. Cory should not have drawn a living allowance for the days which he spent on the river boats going to and from Dawson, the rates paid including meals as well as passage. With regard to the payment for accident insurance, I beg to say that I cannot see my way to entertain such charges until some definite regulation on this matter has been made by the Governor General in Council, because this is a privilege which if granted to one department should apply to all. With regard to the other items referred to in my letter of the 12th inst., I trust that Mr. Cory will take vouchers in support of all payments of any magnitude which he may make in the future, and that he will make use of return tickets whenever possible.

I am, sir, your obedient servant,

The Deputy Minister of the Interior.

Payment to Assistant Surveyor for clothing Purchased.

AUDIT OFFICE, OTTAWA, May 12, 1902.

SIR,—Yukon cheque No. 45, issued by your department on October 15 last, is for the payment of \$75.60 to N. Charbonneau for clothing purchased at Vancouver and Dawson between May 13, 1898, and February 8, 1899. This account, which is dated May 19, 1899, is not certified by any one as to the receipt of the goods and the fairness of the prices. In connection with this payment, I have to ask: 1st. Why this clothing which appears to have been solely for personal use, was considered as a proper charge against the public moneys; 2nd. Why, if it be a proper charge against the public moneys, payment has been so long delayed; 3rd. Why the prescribed certificates as to the receipt of the goods and the fairness of the prices have not been supplied.

I am, sir, your obedient servant,

The Deputy Minister of the Interior.

J. L. McDOUGALL, *A.G.*

DEPARTMENT OF THE INTERIOR, OTTAWA, May 27, 1902.

SIR,—I beg to acknowledge the receipt of your letter of the 12th instant, referring to the payment of \$75.60 made on October 15 last to Mr. M. Charbonneau for clothing purchased at Vancouver and Dawson between May 13, 1898, and February 8, 1899, and in answer to your queries, I would say: Mr. Charbonneau was one of the party of assistant surveyors who went to the Yukon Territory on May 6, 1898, at the rate of \$2

per diem and rations, the engagement to last for one year. There appears to have been a misunderstanding in regard to the matter of clothing. The men claimed that they understood when leaving the East that all clothing was to be furnished, and consequently they took very little with them, the means of transport at that time being difficult. The price of clothing suitable for the climate was exceedingly high, and after considering the matter thoroughly, it was decided to make an allowance of \$100 to each claimant. Messrs. McConnell, McClelland, Lang and Rowland were each paid that amount, but Mr. Charbonneau did not file his claim against the department until he came East in August last, after which he was paid the exact sum he claimed, and this payment must be considered as an allowance, the same as was paid to the other assistant surveyors, except that the department could not pay Mr. Charbonneau the same amount, as his claim for clothing amounted to only \$75.60.

I am, sir, your obedient servant,

The Auditor General.

Payments to Stenographers, Senkler Commission.

AUDIT OFFICE, OTTAWA, May 9, 1902.

SIR,—I beg to call your attention to the following payments made by the commissioner of the Yukon Territory in January last in connection with the commission issued to Mr. Justice Dugas, to inquire into the charges preferred by one McTavish against the Gold Commissioner and staff:

1. F. M. Sheppard, attendance taking notes morning and afternoon sessions, Saturday, June 2, 1900, and evening session, Thursday, June 7, 1900, at \$5 each session, \$15; 2 copies of evidence in above, 246 folios each, at 25 cents, \$123. Total, \$138.

2. Geo. Craig, attending commission, 4 sessions, June 4, 6, 11 and 14, at \$5 each, \$20; 2 copies of evidence in above, 232 folios each at 25 cents, \$116. Total, \$136.

The rates charged for copying the evidence appear to me to be large. I find that last year the Department of Justice allowed 20 cents a folio for the first copy, and 10 cents a folio for the second copy. As this work was in all probability done on a typewriter, there would be little or no additional labour required to make a second copy; consequently, to charge as much for the second copy as for the first appears to be exorbitant. These men were also regularly employed by your department during this period and were paid at the rate of \$100 a month for their services. Kindly explain why they are allowed extra pay at the same time.

The only certificate on these vouchers is 'certified correct, C. A. Dugas, commissioner.' There should be a definite certificate to the effect that the number of folios is correct and the prices charged are fair and just.

I am, sir, your obedient servant,

The Deputy Minister of the Interior.

J. L. McDOUGALL, *A.G.*

DEPARTMENT OF THE INTERIOR, OTTAWA, June 2, 1902.

SIR,—I duly received your letter of the 9th instant, in which you take exception to certain payments made by the commissioner of the Yukon Territory to Messrs. F. M. Sheppard and Geo. Craig, court stenographers, for copies of evidence in connection with the commission of inquiry respecting charges against the Gold Commissioner and his staff. In reply, I beg to state that the department has been advised that this work was done by Messrs. Craig and Sheppard outside of regular office hours; that the same was not part of their regular duties, and that it was performed at the request of the commissioner, His Honour Judge Dugas. If you will kindly have the vouchers returned, I will be glad to have the same forwarded to Dawson, so that the proper certificates may be attached thereto.

I am, sir, your obedient servant,

The Auditor General.

SESSIONAL PAPER No. 1

Payment of living allowance to H. G. Herbert, when travelling at public expense.

AUDIT OFFICE, OTTAWA, May 12, 1902.

SIR,—On January 29 last cheque No. 1983 was issued at Dawson in favour of H. G. Herbert, for the amount of \$100, being an advance for travelling expenses to Stewart River Recording Office. The account rendered by Mr. Herbert for the expenses of this trip amounts to \$95.60, the balance \$4.40 being refunded to the credit of the Receiver General. This account may be detailed as follows:—

Stage fare, Dawson to Stewart River and return.....	\$41 60
Board, January 30 to February 15.....	54 00

In addition to this Mr. Herbert was paid his full living allowance at the rate of \$150 a month during the time he was on this trip. Kindly advise me why Mr. Herbert was allowed both his actual expenses and living allowance between January 30 and February 15.

I am, Sir, your obedient servant,

The Deputy Minister of the Interior.

DEPARTMENT OF THE INTERIOR, OTTAWA, June 3, 1902.

SIR,—I beg to acknowledge the receipt of your letter of the 12th ultimo, referring to a payment made to Mr. H. G. Herbert for travelling expenses to Stewart River Recording Office. In answer to your query as to why Mr. Herbert was allowed both his actual expenses and living allowance for the period he was away from Dawson, I would refer you to my letter addressed to you on May 20, 1901, and also to the Gold Commissioner's report on the subject, dated February 15, 1901, a copy of which was inclosed with mine of May 20, 1901.

Payment of salary and travel of W. H. Beattie, formerly employed by Gold Commissioner.

AUDIT OFFICE, OTTAWA, May 12, 1902.

SIR,—In October last a cheque was issued by you for the amount of \$75, being one month's salary for W. H. Beattie, formerly employed as a clerk in the Gold Commissioner's office at Dawson. I find that Mr. Beattie was paid for his services up to June 15 last, although I do not find his name on the attendance certificates furnished by the Gold Commissioner later than January, 1901. Mr. Beattie appears to have left Dawson on September 13 last, his travelling expenses being paid from Dawson to Ottawa, and from here to Seaforth, which is presumably his home. This account includes an item of \$12 for six days' board at Ottawa. I would like an explanation of the omission of Mr. Beattie's name from the Gold Commissioner's attendance certificates, and also of the payment of \$75 to Mr. Beattie after he arrived here. If Mr. Beattie came to Ottawa on public business, please certify to that fact on the account.

I am, sir, your obedient servant,

The Deputy Minister of the Interior.

J. L. McDOUGALL, A.G.

DEPARTMENT OF THE INTERIOR, OTTAWA, May 19, 1902.

SIR,—I beg to acknowledge the receipt of your letter of the 12th instant, referring to the payment of \$75 for one month's salary, made in October last to W. H. Beattie, formerly employed as a clerk in the Gold Commissioner's office. I may state that Mr.

Beattie's services in the Yukon Territory commenced on August 24, 1899, and terminated on June 15, 1901. For some time Mr. Beattie was assistant to the recorder at Hunker Creek; he had been to Dawson with the returns from Hunker, and was returning on a freighter's wagon when he met with a serious accident which prevented him from attending to his duties for a considerable time. He had been in the Territory scarcely long enough to claim the six weeks' leave with pay which is granted to employees who have served two years, but, considering the circumstances of the case, it was decided to give him one month's pay, instead of six weeks to which he would have been entitled to if he had stayed about two months longer in the territory. The serious nature of Mr. Beattie's accident prevented him from attending regularly to his duties—he being in the hospital at Dawson for some time—probably that is the reason why the attendance certificates, mentioned in your letter, were not furnished. I have sent a copy of your letter, however, to the commissioner for a report on this point. Mr. Beattie was in Ottawa on public business in connection with his services in the Yukon, which, however, were terminated and his expenses were paid as shown in the accounts.

I am, sir, your obedient servant,

The Auditor General.

Employees at Dawson Paid for Time not Spent at Office.

AUDIT OFFICE, OTTAWA, January 31, 1902.

SIR,—In examining the July pay-lists for the employees at Dawson, I find that certificates of attendance are given only in the cases of the officers employed in the Gold Commissioner's office and the Crown Timber and Lands office. Certificates as to the attendance of the employees in all of the offices, even though the Commissioner or Comptroller may have personal knowledge of the attendance, are necessary for the purposes of audit. Among those paid as being employed in the Gold Commissioner's office, I find that Mr. W. W. Clarke, who was employed as a stenographer, was paid both salary and living allowance to the end of the month, although he was reported by the Gold Commissioner as only having been in attendance to July 26. I also find that Messrs V. G. Grant and M. B. O'Dell were paid as clerks in the Gold Commissioner's office, although their names do not appear on the list of employees given by the Assistant Gold Commissioner. Among the employees in the Crown Timber and Lands office, I find that Mr. R. C. Conklin was paid both salary and living allowance to the end of the month, although he appears to have been in attendance only to July 23, on which date he received an advance for travelling expenses to Winnipeg and presumably left on or about that date. Kindly furnish me with explanations of these apparent discrepancies in the pay-lists.

I am, sir, your obedient servant,

The Deputy Minister of the Interior.

COMPTROLLER'S OFFICE, DAWSON, Y.T., March 5, 1902.

SIR,—I beg to acknowledge receipt of your letter of the 7th ult., file No 677005, enclosing copies of letters from the Auditor General in reference to pay-lists. Referring to the copy of letter dated January 31, I will have certificates of attendance of the Commissioner's and Comptroller's offices prepared in future. In reference to amounts paid to W. W. Clarke, stenographer in the Gold Commissioner's office, I beg to inclose copy of correspondence between the Commissioner and Asst. Gold Commissioner in connection with same, from which you will see that Mr. Clarke was allowed three weeks leave of absence with full pay, his services having been dispensed with on July 26. As to the names of Messrs. V. G. Grant and M. B. O'Dell not appearing in the Gold Commissioner's list of attendance, these were inadvertently omitted. As to Mr. R. C. Conklin having been paid both salary and living allowance to the end of July although

appearing on list of attendance only to July 23, on that date he was granted leave of absence and, according to instructions received from Ottawa, would be entitled to six weeks' salary amounting to \$135.80, whereas the salary and living allowance from July 23 to the end of the month only amounted to \$64.52; but, as he did not return, we were unable to adjust the matter with him, and he is therefore still entitled to receive \$71.28 for balance of salary for the six weeks.

Travelling expenses of Geo. Layfield, paid when not actually employed.

AUDIT OFFICE, OTTAWA, February 3, 1902.

SIR,—Mr. George Layfield, who was employed as accountant in the office of the Crown Timber and Lands Agent at Dawson, was paid a salary at the rate of \$100 a month up to December 31, 1900, and a living allowance at the rate of \$150 a month up to September 30, 1900. In October, 1900, he left Dawson for the outside and received altogether the amount of \$232.95 for travelling expenses from Dawson to Springhill. He appears to have left Springhill for Dawson early in March, arriving at the latter place on April 13. His expenses for the trip amounted to \$411.85, which was paid by Dawson cheque No. 1614 issued on October 4, 1901, and on the same day he received an advance of \$225 for his expenses from Dawson to Compton. I find, however, no payment, nor any evidence of any kind that he was employed in any of the offices in Dawson during the calendar year 1901. I have, accordingly, to ask the meaning of these payments to him for travelling expenses to and from Dawson during that year. I have also to ask why he was paid up to December 31, 1900, although he was not in attendance at the office later than September 30 of that year.

I am, sir, your obedient servant,

The Deputy Minister of the Interior.

J. L. McDOUGALL, *A.G.*

DEPARTMENT OF THE INTERIOR, OTTAWA, March 10, 1902.

SIR,—Your letter of the 3rd ultimo, with regard to Mr. Geo. Layfield has been recently brought to my attention. On inquiry I find that Mr. Layfield was sent to Dawson on September 8, 1898, and at the completion of two years' service he was granted leave of absence and came east early in October, 1900, his salary during such leave of absence and his travelling expenses being paid under an arrangement which has been in existence for some years in the case of officials who have been in the service in the Yukon for over two years. Mr. Layfield left for Dawson on March 10, and apparently reached there on or about April 13, 1901, being still in the employ of the Department at that time. Subsequently, however, it was decided by the Minister in view of certain irregularities of which Mr. Layfield was guilty, that his services should not be continued and he was advised accordingly. Under the circumstances, it was felt that, as he had gone back to the Yukon Territory under instructions from the Department, his travelling expenses should be paid by the Government.

I am, sir, your obedient servant,

The Auditor General.

Salary and allowances paid to W. W. Clarke during leave of absence.

AUDIT OFFICE, OTTAWA, January 31, 1902.

SIR,—Dawson cheque No. 1368 is for the payment of \$120.97 to W. W. Clarke, being salary and living allowance as stenographer in the Gold Commissioner's office from August 1 to August 15, inclusive. As I have already pointed out to you, Mr. Clarke,

according to the July pay-list, was in attendance at the office only up to the 26th of that month. The present payment, in addition to that for July, would make it appear that he has been paid both salary and living allowance for a period of three weeks during which he was not in attendance at the office. Kindly explain the circumstances under which this payment was made.

I am, sir, your obedient servant,

J. L. McDOUGALL, A.G.

The Deputy Minister of the Interior.

DEPARTMENT OF THE INTERIOR, OTTAWA, April 8, 1902.

SIR,—In reference to your letter of January 31 last, in which you draw the attention of the department to a payment of \$120.97, made at Dawson to Mr. W. W. Clarke for salary and living allowance as stenographer in the Gold Commissioner's office, from August 1 to August 15 inclusive, and in which you also mention the fact that he was in attendance at the office only up to July 26, and asking for an explanation of the circumstances under which he was paid both salary and living allowance for the period of three weeks during which he was not in attendance at the office, I beg to inclose herein for your information an extract from a letter with copies of the correspondence connected therewith, just received from the acting comptroller which will no doubt be a satisfactory explanation of the reason for the payment mentioned.

OFFICE OF THE ASSISTANT GOLD COMMISSIONER,

DAWSON, Y.T., July 22, 1901.

SIR,—As it is the custom of the government of Canada to grant employees a vacation of three weeks each year, and as I have been in the service nearly two and one half years (some of the time in the commissioner's office, and the balance in this office) having had no vacation, may I ask that a leave of absence be granted me for three weeks ending August 15, with full pay?

OFFICE OF THE ASSISTANT GOLD COMMISSIONER,

SIR,—I beg to inclose herewith copy of letter received from Mr. W. W. Clarke of this office. I do not know what the ruling of the department may be in cases of this kind, but I should think that if Mr. Clarke's request were granted, it would give him the opportunity of looking around for another position.

SESSIONAL PAPER No. 1

Living expenses of Hon. J. H. Ross, Commissioner for Yukon.

AUDIT OFFICE, OTTAWA, February 7, 1902.

SIR,—On December 4th. last cheque No. 1842 was issued at Dawson in favour of Hon. J. H. Ross for \$3,550 in payment of his living allowance from April 28 to November 30 at the rate of \$6,000 a year. Mr. Ross was appointed under Order in Council dated March 11, 1901, 'at a salary of \$6,000 a year, and the allowances that may be made to him from time to time for personal expenses'. On September 28, 1901, an Order in Council was passed to the effect that, as in the opinion of the Minister of the Interior the living allowance granted to the administrator of the Yukon Territory is entirely inadequate to meet his necessary living expenses, the living allowance of the Hon. J. H. Ross, administrator of the Yukon Territory, shall in the future be at the rate of \$6,000 a year'. Under the latter Order it appears to me that the living allowance of \$6,000 a year should only be paid from the date of that Order in Council, and that prior to that date the living allowance granted should be that paid Mr. Ogilvie, the former Commissioner, who received \$2,000 a year as his living allowance, in addition to his salary.

I am, sir, your obedient servant,

The Secretary, Department of the Interior.

J. L. McDUGALL, A.G.

Certificates should be signed by officer having direct knowledge thereof.

AUDIT OFFICE, OTTAWA, February, 1, 1902.

SIR,—I beg to ask your attention to the certificates on the following vouchers paid at Dawson by Commissioner Ross in August last. Cheque 1331. Palace Cigar Store, 2 ledgers and index for crown timber office, \$5. The certificate as to receipt and price is signed by Mr. Lithgow, instead of by Mr. Gosselin, the crown timber agent. Cheque 1348, Alaska Commercial Co., Forty Mile, for wood, coal oil and ink purchased by the mining recorder. The mining recorder signs a certificate 'certified correct', while the formal certificate as to receipt and price is signed by the assistant gold commissioner, instead of by the mining recorder. The payment for the wood and coal oil should have been made by the Public Works Department through Mr. Fuller, who has a letter of credit at Dawson. Cheque 1370, P. E. Hagel, for typewriting paper supplied the registrar's office, is certified as to receipt and price by Mr. Hinton, acting comptroller, instead of by the registrar. Kindly give instructions that in all cases the officer directly in receipt of all purchases, certifies as to the receipt of the goods.

I am, sir, your obedient servant,

The Secretary of the Interior Department.

J. L. McDUGALL, A.G.

DEPARTMENT OF THE INTERIOR, OTTAWA, February 13, 1902.

SIR,—I beg to acknowledge the receipt of your letter of the 6th inst., Ref. 677453, inclosing a copy of a letter from the Auditor General, pointing out that the certificate for articles purchased should be signed by the purchasing officer. In cases where any small supplies are required by the Crown Timber and Land Agent or the Registrar, a requisition is sent to the Commissioner, for his approval, and the purchase is made on order issued from my office, the account being sent to me with the order attached and the articles purchased delivered by my messenger, consequently I am in a position to certify that the goods have been delivered and that the prices are fair and just. I note that the wood, coal, oil, &c. purchased at the Forty Mile office should be paid for by the Department of Public Works.

I am, sir, your obedient servant,

The Secretary, Department of the Interior.

Travelling Expenses of H. McKinnon refunded by Yukon Government.

The Commissioner has caused this refund to be made out of local revenue, and the bank receipt was sent to the Deputy Minister of Finance with casual revenue statement No. 16 of the 1st instant.

Advances at Dawson not Accounted for.

AUDIT OFFICE, OTTAWA, December 30, 1902.

SIR,—I beg to ask your attention to the following advances made out of the Yukon Appropriation through the Dawson letter-of-credit:—

Remarks on Expenditure at Assay Office, Vancouver.

AUDIT OFFICE, OTTAWA, December 11, 1902.

SIR,—I beg to ask your attention to the following remarks on certain items of the expenditure by Mr. T. J. McCaffrey, manager of the Assay Office at Vancouver, during the fiscal year 1901-2, out of the advances made to him for the expenses connected with the Assay Office. C. S. Hurter, travelling expenses to Nelson and return in April 1902, \$100.35. This account should be certified by Mr. Hurter to the effect that the whole of the expenditure was incurred on government business. I should like an explanation of the two following items in Mr. Hurter's account. Examination entrance fee \$10; certificate fee, \$15. Expenses of G. Middleton to Seattle and return in June 1902, \$17. Mr. Middleton should give an itemized account showing his expenses as they were incurred. The account should also be certified by him to the effect that the whole of the expenditure was incurred on government business.

Messrs. Clarke and Stuart, Vancouver. This firm was paid in the course of the year \$101.53 for stationery supplies, and \$68.50 for printing blank-book forms &c. Why were not all these articles obtained through the King's Printer's Department in accordance with the Public Printing and Stationery Act.

Denver Fire Clay Co. Invoice of October 1, 1901, is for 'merchandise per bill rendered, \$11.' The original bill rendered should accompany the statement of this account. The only other information on the account is 'Acid pump' written across it.

Geo. H. Hewitt Co., Chicago. This firm was paid \$13.25 in October, 1901, and \$3.35 in January, 1902, for numbering stamps and rubber stamps. These articles should have been obtained from the Government Stationery Office.

In June, 1902, a payment of \$110, was made to Jos. Mayer & Bros., Seattle. The only voucher in support of this payment is a receipted form acknowledging the receipt of \$110, for iron furnace tables. The original account in detail should be furnished me.

C. B. Wainwright, Vancouver, was paid \$75, for decorating the Assay Office for the Royal visit. No details of this expenditure are given. Kindly let me know if this was a round sum paid to Mr. Wainwright for the decorations according to a previous arrangement. If so, a short description of the decorations furnished should be given.

In July, 1901, Messrs. Wright, Cameron & Burnett were paid \$16.25, being insurance premium on policy No. 5993. Kindly let me know what property was covered by this policy.

I notice that Mr. McCaffrey's monthly statement is certified by him in the following terms: "I certify that the following expenditure has been incurred on government business." Kindly point out to Mr. McCaffrey that each separate account paid by him must be certified on the face thereof, to the effect that the goods have been supplied or the labour performed, as the case may be, and that the price charged is according to contract, or, if not covered by contract, is fair and just, as is required by Section 33 of the Audit Act.

I am, sir, your obedient servant,

The Deputy Minister of the Interior.

Purchase of Lot at Banff Hot Springs.

AUDIT OFFICE, OTTAWA, December 12, 1902.

SIR,—Banff cheque No. 66, issued on August 2, last and charged against the Banff appropriation for the fiscal year 1901-02, is for a payment of \$1,200, to H. Douglas, Superintendent of the Banff Park, "in *re* village lot No. 66." There is no voucher in support of this statement, and the cheque does not appear to have come to hand as yet. Kindly inform me of the nature of this payment and your reasons for including it in the accounts of the last fiscal year.

I am, sir, your obedient servant,

The Deputy Minister of the Interior.

J. L. McDOUGALL, A.G.

DEPARTMENT OF THE INTERIOR, OTTAWA, December 16, 1902.

SIR,—I am in receipt of your letter of the 12th instant referring to Banff cheque No. 66, dated August 2 last, for \$1,200, payable to Mr. Howard Douglas, Superintendent of the Park, "in *re* village lot No. 66." In reply to your inquiry as to the nature of this payment I beg to say that this appears to have been a special vote of parliament to purchase from Mrs. Wright, who held a lease of certain lands at the Hot Springs in the Park and whose hotel had been destroyed by fire. The department felt it was absolutely necessary that this lease should be cancelled, and that the only way to do it was to secure a vote of parliament and pay what was a reasonable amount to the lessee. I may be permitted to add that this Hot Spring is one of the most valuable spots in the park and the department has decided to make a different arrangement with regard to its use in the future, in view of the fact that it is now recognized as having medicinal virtues. I have no doubt that a proper voucher will be forth coming respecting this payment.

I am, sir, your obedient servant,

The Auditor General.

Expenses on Buffalo Head sent T. G. Blackstock, Toronto.

AUDIT OFFICE, OTTAWA, December 12, 1902.

SIR,—Among the items of expenditure by Superintendent Douglas on account of the appropriation for Banff Hot Springs for the last fiscal year I find a payment of \$20.05 to the Dominion Express Co. for a buffalo head valued at \$300, shipped on October 1, 1901 to T. G. Blackstock, Toronto. Kindly give me an explanation of why this is made a charge against the Banff Vote. I also find that on September 10, of the same year an account was rendered by Mackay and Dippie, of Calgary, for \$37, for mounting a buffalo head and packing and cartage on same. I should like to know if this was the same buffalo head that was shipped to Mr. Blackstock.

I am, sir, your obedient servant,

The Deputy Minister of the Interior.

J. L. McDOUGALL, A.G.

DEPARTMENT OF THE INTERIOR, OTTAWA, December 16, 1902.

SIR,—I am in receipt of your letter of the 12th instant having reference to the items of expenditure in the accounts of Mr. H. Douglas, Superintendent of the Banff Park, respecting the buffalo head which has been given by the Minister to Mr. T. G. Blackstock, Toronto. In reply I beg to say that these items of expenditure were made under the direct instructions of the Minister. The buffalo referred to was one of a small herd which had been donated to the Dominion Government by Mr. Blackstock and

having died it was thought to be only a matter of courtesy and one showing proper appreciation of his gift to return the head to him which was, of course, very handsome when mounted. The total cost for the mounting and express charges was only a matter of some \$57.05. The account of Messrs. Mackay and Dippie, Calgary, was for mounting, packing and cartage in connection with the same buffalo head which was shipped to Mr. Blackstock.

I am, sir, your obedient servant,

The Auditor General.

Certificate of King's Printer required for Advertising account.

AUDIT OFFICE, OTTAWA, December 13, 1902.

SIR,—In June last a payment of \$11 was made by Mr. Douglas, superintendent of the Rocky Mountain Park, to the proprietor of 'The Crag and Canyon' for advertising during the months of May and June. The account does not give the subject matter of the advertisement, nor is it certified by the King's Printer in accordance with the Order in Council of May 8. 1894. I return the account herewith for the certificate of the King's Printer.

I am sir, your obedient servant,

The Deputy Minister of the Interior.

Overpayment for Lumber at Banff Hot Springs.

AUDIT OFFICE, OTTAWA, December 13, 1902.

SIR,—I beg to ask your attention to what appears to be a double payment to D. C. White, of Banff, for lumber purchased by Mr. H. Douglas for Banff Hot Springs. Cheque No. 34, issued by Mr. Douglas in July, 1901, is for a payment of \$23.90 to D. C. White for lumber supplied for repairs to cave and basin. This cheque is in payment of two accounts, the one rendered on May 22. 1901, for the sum of \$5.50 for lumber purchased on May 6. and May 8, the other rendered on July 30 1901, for the sum of \$18.40 for lumber purchased between May 6, and July 2. The first six items in this latter account appear to be identical with the items making up the amount of \$5.50, the former account, with the exception of an item which in the first account reads '40 ft. clear cedar, \$1.20', and in the account of July 30. reads, '50 ft. 1½ inch clear cedar at \$35, \$1.75'.

Kindly have this matter looked into, and if this account has been paid twice, obtain a refund from Mr. White.

I am sir, your obedient servant,

The Deputy Minister of the Interior,

J. L. McDOUGALL, *A.G.*
